NO APPOINTMENT NEEDED

This is a different format to previous parents evenings, we are having our first parents evening of the school year as an informal meeting. No appointment needed just pop in between 3.30pm and 6pm have a look at your child's learning journal and a chat with your child's key person. If you can't attend don't worry you are welcome to look at your child's learning journal during session any time that is convenient to you.

Spooky Spectacular

Tickets on sale now for this event. The committee have worked hard to organise this so please do try to support the evening. Lots of games and fun planned plus hot dogs and treats for tea. See notices in pre school or check out the Committee facebook page for more details

Spare Clothes

Thank You to those parents that have provided spare clothes for your child it is much appreciated. If you have not got round to it yet please try to send in some spare clothes especially now the weather is changing. By ensuring your child has spare clothes it means they can enjoy all that the garden has to offer them in terms of wet and messy play safe in the knowledge that they can change into clean clothes when they return indoors. When staff use items from your child's bag you will receive a small note informing you of this and asking you to replace the used items when they are next in, we hope this new system works and makes life easier for all. Thank you for your support in this matter.

Wellington Boots

I believe the majority of children now have their own wellingtons at pre school.

However if you have not yet done so please try to supply a pair of wellingtons that can remain at pre school for your child as they are definitely needed for outdoor play now that the weather is changing. Thank you x
