

3rd Annual Ice Bath Challenge – Veteran Healing Programs Fundraiser

Saturday June 3, 2023 – Downtown Chandler 9am-1pm

Popularized by Wim “The Ice Man” Hof, ice baths are about inner power and being able to control your body’s immune system and temperature by doing meditation, certain breathing techniques, visualizations, and physical exercises. It’s also been scientifically proven to influence the Autonomic Nervous System and the innate immune response.

The Ice Bath Challenge will take place on Saturday, June 3, 2023, in the middle of Downtown Chandler! Mayor Hartke, City Council, Veterans, allies, supporters, and community partners are all attending! This event is NOT just about raising awareness for Veteran suicide prevention. This event involves community members to raise the much-needed funds to support Operation Shockwave’s Veteran and family healing programs. You can read more about the free complementary and integrative healing opportunities available to the Veteran community at www.operationshockwave.org.
