

THE MATCH REPORT

May 2025

WELCOME!

We're so excited to welcome you to the first edition of our club newsletter — a little monthly update to keep you in the loop with everything happening on and off the pitch. Whether you're a returning family or brand new to the club this season, we're thrilled to have you as part of the Alkimos FC community. Our club is growing fast, and it's all thanks to the amazing players, parents, coaches, and volunteers who bring the energy and team spirit each week.

We can't wait to share the season ahead with you — let's make it our best one yet! ⚽

HEATH PARK OPEN

After a long wait and lots of hard work behind the scenes, our brand-new clubrooms are officially open — and Alkimos FC finally has a home to call our own!

We're proud to host as many home games as we can right here, and we've already kicked off the season with a brilliant vibe, great football, and plenty of community spirit.

Our shiny new canteen has now been running for four weeks, serving up hot food and good vibes — but we need more hands on deck! The funds raised at the canteen go straight back into the club, helping us cover everything from equipment and trophies to training resources and future upgrades.

So if you've got a spare hour on game day (or just want to hang out and flip a few sausages), we'd love your help. Many hands make light work — and keep the club buzzing for our players and families.

Let's pitch in and make this place feel like home.

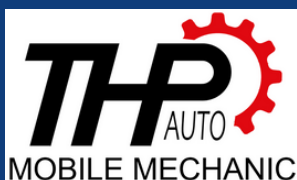

SPONSOR SPOTLIGHT

We're thrilled to welcome Terence and Nicole from THP Auto Mobile Mechanic as proud sponsors of Alkimos FC for the 2025 season! Based right here in Alkimos, THP

Auto is known for their top-notch mobile mechanic services, bringing convenience and reliability directly to your doorstep. With a reputation for professionalism and a friendly approach, they've become a trusted name in our community.

Terence's passion for cars and commitment to excellent service, combined with Nicole's support, make them a dynamic duo we're proud to have on board. Their support helps keep our club moving forward—both on and off the pitch.

RESULT

It's been a competitive start to the 2025 season for our **Alkimos FC Senior** squads, with all four teams putting in strong performances and showing great promise on the pitch. As the ladder starts to take shape, it's clear our senior sides are ready to make their mark this season.

Here's where each team currently stands:

- Amateur Div 1 - 4th to Kwinana, Ballajura & Quinns
- Amateur Reserves - 5th
- Metros ND6 - 5th
- Masters O35s - 7th
- U14's - currently 4th - great results for a brand new Team only formed this Season

While we're not able to publish match results or ladders for our **Junior teams** due to Football West guidelines, we're proud to share that our juniors have had a fantastic start to the season! From brand new teams and first-time players to kids trying out new positions, the energy, teamwork, and growth on the field has been incredible to watch.

SWEET SUPPORT

We're excited to be running our **Natural Confectionery Co.** fundraiser — and it's as sweet as it sounds! Families can grab a box of **20 mixed lolly bags for just \$60**, which works out to only \$3 a bag (they're usually \$6 in stores!).

Even better? The club **makes \$30 profit per box**, so every bite helps support Alkimos FC.

You can pick up individual lolly bags at the canteen on game days or grab a full box on training nights — just find a committee member and we'll get you sorted.

💡 **Team Tip: Why not split the cost of a box per team? It's a super affordable way to stock up on halftime treats for the kids — and it'll probably last you the whole season!**

COACHES CORNER

Name: Brody Kennedy

Team & Role: U11 Purple Assistant Coach

1. Describe your Team in 3 words?

Gritty, tenacious and together!

2. Favourite match moment so far?

This is a tough one as there's always stand-out moments in each game. The win against Carramar was a great moment for the kids as it's a Club we have good battle with in previous years so it was great to see AFC stand up to the test so early in the Season.

3. Go to pump up song or pre-game ritual?

The music changed over the years but I used to watch highlights on YouTube of players that played my position before each game. These days it's normally just a coffee!!

4. Favourite football player of all time?

So tough to pick one. Childhood footballing hero was definitely Cristiano Ronaldo, but Michael Carrick was a player whose game I really admired.

5. Who's louder - players or parents?

Definitely the parents! They are the 12th man at times encouraging the Team!

6. Favourite thing to do (other than Coach)?

Golf, 5 aside, anything that involves a laugh

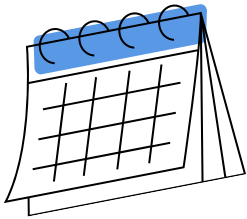

7. Last one - what makes you proud every week?

With respect to AFC, I'm pretty grateful to be a part of something and involved in football again. I certainly remember what the game meant to me when I was 10 and it's great to see the kids improve, build chemistry and friendships with their team mates and even learn from some of the tests and challenges that football can throw at you!
