IMPACT REPORT

The Club Experience

Boys & Girls Clubs fill the gap between school and home. We provide welcoming, positive environments in which kids and teens have fun, participate in life-changing programs, and build supportive relationships with peers and caring adults.

The Need for After School

In America today, 1 in 4 youth -- 15.1 million children -- are alone and unsupervised after school. Afterschool programs keep kids safe, help working families and inspire learning. They provide opportunities to help young people develop into successful adults.

“ I want to pay my Club experience forward. ”

Gabrielle Russell

Youth of the Year... Since becoming a member of the Boys and Girls Club it has allowed me to witness the profound impact that community involvement and mentorship can have on shaping lives. When I reflect on what truly matters to me, two main goals come to mind: giving back to my community and helping to develop the younger generation. As Nelson Mandela said, "Education is the most powerful weapon which you can use to change the world."
