Who's Wine Chick?

WHO WE ARE DRIVES WHAT WE DO.

I am a passionate wine magazine columnist and blogger, who loves to share my love for wine with others. One of the key reasons I have started Wine Chick was to help people understand wine better in simple accessible terms. I truly believe with a wide range of wines available out there - there's one for anyone's taste, so my mission is to educate and help people find what they like.

Lunch or dinner with Wine Chick

3 OR 4 COURSE MEAL PAIRED WITH PREMIUM WINES

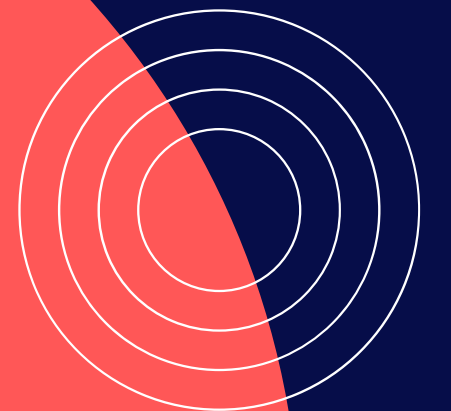

Your signature set 3 or 4 course menu dishes paired with premium wines handpicked exclusively to match your food and presented by Wine Chick. Each course will get 2 different wines pairings.

INFORMATIVE & FUN

As the wines are poured I will talk through the two wines in an informative and interactive way. I will educate the audience on regionality, varietal characteristics, winemaking process and why they are a good pairing with your dishes, while keeping the content light-hearted and engaging.

THE \$\$\$ PROPOSITION

The \$\$\$ value of each event is worked out based on the food value + matched wine value proposition.
