

Response to document 24. Case No 2:22-CV-00668-JPS

This is against ALL violators of rights under color of law not limited to the DHHS. Defendants include the Wisconsin DHHS, the Waukesha DHHS, the Ozaukee county DHS (also initiate libel cases on behalf of the department of Homeland Security). The Federal DHHS as well. This is not to be misconstrued to violate title 18 USC 242 in order to deny me real beneficial government assistance as has occurred through the deprivations of real medicine and healthcare (see <https://www.EVIL.HEALTH> revisions to Medicare to make constitutional page for clarification of the LAW).

I am suing for the Constitutional Republic of The United States of America as written and strictly defined by the Constitution. It's that simple.
