Company Profile

公司简介

Singip — Glass grinding advanced technology innovator 玻璃磨边先进技术的革新者

Foshan Singip Intelligent Equipment Co.,Ltd is a professional glass grinding technology enterprise. We have experienced engineers team, professional sales consultant and 4S management. We are committed to provide the comprehensive service to global glass processors, with glass processing scheme, grinding capacity planning and process equipment docking, equipment characteristic analysis, process optimization, glass equipment and consumptive materials supply, installation and maintenance. Our goal is to achieve win-win cooperation between platforms, professional craftsman level equipment requirements and technology docking, so that our high quality equipments can go to the world.

佛山市星展烨智能设备有限公司是一家专业的磨边科技型企业。公司拥有行业多年设计经验的工程师团队，专业销售顾问和4S管理团队，致力于为全球的玻璃客户提供专业的玻璃加工方案、磨边产能规划及上下工艺对接、设备特性分析、流程优化、设备供应及其安装维护，耗材供应等全方位服务。平台化合作共赢，专业化工匠级设备要求，专业技术对接，让中国的高端设备走向全球。

Mission

星烨使命

To create value for customers, make the world more green and transparent.

为客户创造价值，让世界更绿色，更透明。

Vision

星烨愿景

To be the glass grinding advanced technology innovator.
