Addendum “A” to Purchase Agreement

Chapel Hill Townhomes

Date: _____ / Lot #: _____

ADDRESS: _____

FOR YOUR SAFETY – Builder’s Insurance Company states that during all stages of construction that you **DO NOT** walk through the house without the BUILDER’S REPRESENTATIVE present. Home South Communities, LLC shall not be held liable should you be injured on the property during the construction or if the house is vacant and, to the maximum extent allowed by law without penalty of any kind, Buyer agrees to indemnify and hold harmless Builder in the event any claim, demand, suit, right or cause of action is brought, by any person, firm or corporation arising out of the Purchase Agreement or the construction. Buyer shall, to the fullest extent provided by law, indemnify and hold harmless the Builder or from any claim, liability, or costs (including reasonable attorney’s fees and costs of defense) for any and all damages, economic loss, property damage, bodily injury, mental anguish, and/or any other loss to Buyer, guests, or others arising or allegedly arising from the construction and/or under the Purchase Agreement.

An appointment may be made with the builder’s representative before sheetrock is installed to address any questions and/or concerns. Any questions regarding the construction process should be asked of your agent and given to the listing agent in writing. Violation of this may result in the automatic cancellation of contract and forfeiture of deposit and any upgrade monies.

WALK-THROUGH SCHEDULING: In order to schedule the buyer (s) homeowner orientation and walk through, the listing agent will notify the selling agent in writing that home is complete, utilities are connected, and subcontractors have completed their systems checks. Seller will require up to a two (2) week timeframe to complete walk through list items. Contract shall automatically renew an additional seven (7) days, if necessary, in order to complete the walk-through list.

Buyer(s) initials _____

WALK-THROUGH LIST: Any item on the executed Walk-Through List that does not fail to meet the Construction Standards shall not obligate Seller to address that item. Buyer acknowledges that Seller will make reasonable efforts to address all items specified in the Walk-Through List that fail to comply with the Construction Standards on a timely basis as soon as reasonably possible and prior to closing. Buyer shall revisit the home prior to closing to verify that all items set forth on the Walk-Through List and agreed to be addressed by the Seller have been completed.

Any item not listed on the Walk-Through List will be deemed accepted and will have no effect on closing or any payment due to Builder and are thereafter subject only to the Builder’s warranty.

Buyer(s) initials _____

INSPECTION PERIOD: Should buyer choose to hire a professional home inspector, the listing agent shall notify the selling agent in writing that home is complete (utilities turned on) and ready for inspection. Because inspectors are sharing their opinions throughout the report, which are subjective, the seller will only consider those things on the report that are on the summary report. All homes are built per building code. If any item recommended by the inspector violates builder code, industry standards, or manufacturer’s recommended installation, the builder is not obligated to address that recommendation. Seller will require up to a three (3) week timeframe to complete home inspection list. Contract shall automatically renew an additional fourteen (14) days, if necessary, in order to complete the home inspection list.

Buyer(s) initials _____

SUBCONTRACTORS: Home South Communities will not allow you to use your own subcontractors for any work done on the home prior to the Act of Sale.

Buyer(s) initials _____

GRANITE: Granite is a product of nature, and because of this reason, the color, shading, and grain patterns can vary from one slab to the next. The sample you see in the model or selection area may or may not be slightly different than what is installed in your home. These differences are characteristics that occur to all natural stone products, therefore no two slabs of granite will look the same. Pitting can also occur naturally in granite. This is not considered a defect and no way compromises the integrity of the product.

Sealing: Seller does not seal granite. Sealing of granite is the responsibility of the property owner after the Act of Sale.

Seams: Placement of countertop seams is at the discretion of the vendor. These seams can vary in width and are visible to the eye and touch. The seam will be placed in the best location for structural integrity.

Chipping: Chipping at edges and corners can occur with natural stone products. Only items that are listed on the orientation walk through list will be repaired and will be repaired by patching. Buyer waives any and all claims relative to such patching.

Buyer(s) initials _____

CHANGES: There are no changes to original design of floor plan. Buyer and Builder further agree that any requested upgrades to the home will be in writing and agreed upon by both the Buyer and the Builder. Buyer shall be responsible for payment of all upgrades. The Buyer agrees to make requests concerning any changes, additions or alterations in the work to the Builder's listing agent alone, and the Buyer agrees not to issue any instructions to, or otherwise negotiate for additional work with the Builder's subcontractors. Buyer further understands and agrees that Builder is neither responsible nor liable for any costs arising from communication and/or miscommunication of the Buyer's instructions to employees, subcontractors, agents, representatives, and the like. Builder reserves the right to refuse to implement any changes as requested by the Buyer. Any construction loan account and/or mortgage may not be used to pay for changes.

Any Buyer may sign any change order on his or her own behalf and on behalf of the other, and the signature shall be binding on all Buyers. All overages will be added to the recorded sale.
