PREP TIME

15 Minutes

TOTAL TIME

30 Minutes

INGREDIENTS

Rice Krispies Cereal
Pretzel Rods
White Chocolate Candy Melts
Mini Marshmallows
Butter
Pam Cooking Spray (optional)
Wax Paper

DIRECTIONS

First, you break your pretzel rods in half. Then you dip the ends in melted white chocolate. Add on 2 mini marshmallows to the ends and let set. Next, dip the rest of the rod in the melted chocolate until fully coated. Now you grab a hand full of your Rice cereal treat mix and shape it into a ball. You can use gloves, butter, or spray your hands with cooking spray to prevent any sticking. Press the end of the pretzel into the ball and shape it to look like a turkey leg. Place them onto wax paper and let them set for about 15 minutes.
