

PRAVINYA Skill Contest Rules

- ✓ **Team Size:** Each team will have 6 members, including 2 electricians, 2 fitters, and 2 EM students. If any one trade isn't available, teams can have 3 members from each of the two available trades.
- ✓ **Team work:** Every team should necessarily demonstrate team work in the project that they have selected. Teams where only one or two team members are carrying out entire task may be disqualified.
- ✓ **Guidance:** Teams are expected to follow guidance provided by Training Officers (TOs). For only additional queries they can request for online meeting with mentors from Pravinya.
- ✓ **Original Work:** Projects must be original creations by the teams. Remember to take photos and videos.
- ✓ **Attendance:** Your teams should be available on at least pre-agreed working days of every week. PRAVINYA team might carry out surprise visits to review the progress of your team.
- ✓ **Timelines:** Teams must follow the deadlines set by Pravinya for project milestones and submissions.
- ✓ **Material usage:** Teams should use materials wisely, avoiding waste, and making sure to use all necessary equipment carefully.
