Rising Two Year Old Red Angus Bulls

NEW AUCTION FORMAT
Sale Hosted by
www.edjeauctions.com

Open House Saturday March 3, Noon-5pm

Welcome TO LUST FARMS

We are so pleased to be hosting our 4th Annual Online Bull Sale & Open House. We have changed the auction format for 2018 making our sale similar to a traditional auction. Sale lots will **close out in catalogue order** one at a time in 3 minute intervals with 1 minute extended bidding.

We are very pleased with this year's sale offering. This quite possibly is the strongest set of two year old Red Angus bulls we have put forth yet! We believe our bulls give you more value for your dollar. They will cover more cows their first year of breeding without falling apart by the end of the season. The bulls are not pampered and are ready to go to work for you. As always, the bulls will be presented in their working clothes at our Open House...no fluffy tails or fancy hair cuts here...just good, honest cattle that are ready to thrive in any situation.

If you have any questions or would like to stop by for a farm visit ahead of the sale, don't hesitate to call.

Hampton is an ET bull we purchased in 2014. His sire is an outcross to most Canadian pedigrees, and his dam is a dark red donor cow who has herself been recognized as Elite since 2012. Hampton has excellent foot & leg structure, comes from a strong maternal background, and will add eye appeal. He has 52 progeny for us to date and has earned his title of "Herd Sire" at Lust Farms.

“Bedrock is a bull you can build a herd on!” Bedrock was our choice of the Rollin Deep sons on offer in 2015. This \$20,000 heifer bull has lived up to our expectations and then some. We’ve been waiting for the right bull to come along so we could produce a strong consistent heifer bull line and I think we’ve found him in Bedrock.
