

Annual Bull Sale
Saturday March 2, 2019
At the Ranch - Cypress County

23 Rising
Two Year Old
Red Angus
Bulls

Lunch at Noon, Sale to follow at 1:00 pm

Welcome **TO LUST FARMS**

We are so pleased to be hosting our Annual Bull Sale at the farm this year. The world is always evolving and so are we. Our goal has been to host a sale on the farm and we feel this is the year to make the leap. Please join us in celebrating our tenth year of selling bulls. The bulls will be penned for your viewing as usual and then we'll move over to the shop for lunch followed by a video auction.

We strive to bring new genetics into our purebred herd every year. The Brandin Iron and Upper Cut sons are new lines for us and we're so pleased with the calves these sires have left us. They both throw calves in the 80s for birthweight but show above average weaning weights. This is also the last calf crop for our long-time herdsire Havoc so don't miss your opportunity to get in on his great genetics.

The EPDs for Red Angus animals have changed in 2018 and are not comparable to previous years' numbers. We're all learning to adjust to these new numbers and finding out what the "new norms" are. Regardless of what number the CAA assigns to these bulls, the quality of our herd remains unchanged and we are steadfast in our commitment to raising sound, functional cattle.

Neal, Sheila, Ethan & Eric Lust

Annual Bull Sale

at the Ranch, Cypress County, AB
Saturday March 2, 2019 — 1:00 pm

Sale managed by

PERLICH BROS
AUCTION MARKET LTD.

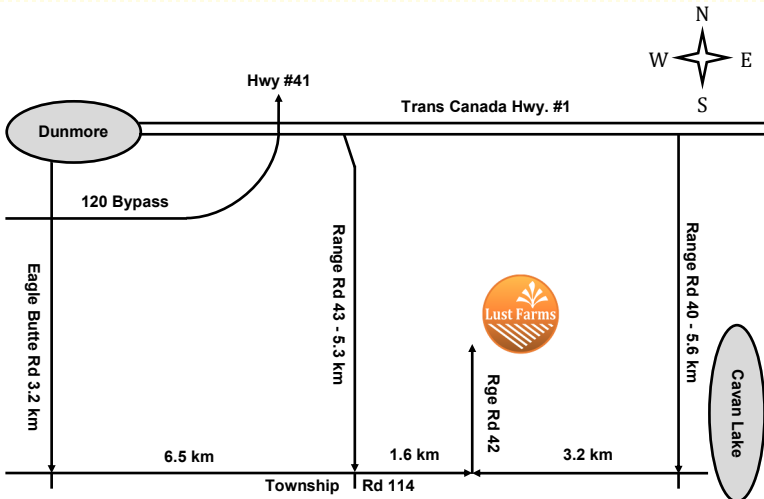

Auctioneer: Bob Perlich (403) 382-7800
Ringmen: Darcy Moorhead (403) 635-0308
Justin Perlich (403) 635-5310

This is our 10th set of Red Angus 2 year old bulls on offer!
We are marking the occasion by hosting a video auction at the ranch. The bulls will be penned for easy viewing.
Lunch will be available at noon with the sale to follow at 1 pm. Leave your stock trailer home & come help us celebrate this milestone.

Please note no bulls will be loaded out sale day.

Sale videos and catalogue online at www.lustfarms.ca

REFERENCE SIRE

Havoc is a bull that has established his worth here at Lust Farms. He has sired 126 progeny for us and we couldn't be happier with the results. Havoc stamps his progeny with correct structure, good performance and picture perfect udders. If you are looking to improve your cow herd, look no further than a Havoc son.

REFERENCE SIRE

Hampton is an ET bull we purchased in 2014. His sire is an outcross to most Canadian pedigrees, and his dam is a dark red donor cow who has herself been recognized as Elite since 2012. Hampton has excellent foot & leg structure, comes from a strong maternal background, and will add eye appeal. He has 66 progeny for us to date and has earned his title of "Herd Sire" at Lust Farms.

REFERENCE SIRE

"Bedrock is a bull you can build a herd on!" Bedrock was our choice of the Rollin Deep sons on offer in 2015. This \$20,000 heifer bull has lived up to our expectations and then some. We've been waiting for the right bull to come along so we could produce a strong consistent heifer bull line and I think we've found him in Bedrock.

A word on the new AngusONE EPDs...

Please note that the EPDs listed in this sale catalogue are the product of the new Canadian AngusONE Genetic Evaluations. These EPDs are calculated by Angus Genetics Inc in partnership with the American Angus Association. Therefore, EPDs for Canadian Red Angus, Canadian Black Angus, and American Black Angus animals are directly comparable to each other.

This is a completely new base for Canadian Red Angus. **Therefore please be advised that the EPDs are not comparable to last year's EPDs for Red Angus.** These EPDs are on a completely different scale, so please familiarize yourself with the new Breed Averages and with the new threshold number for traits of importance to you. The right EPD for you will depend on your cow herd, your management and your breeding goals.

The EPDs published may be outdated by the time you receive this catalogue so refer to the Canadian Angus website for the most current EPDs.

Bulls like Emil can be difficult to talk about. He is consistently good in every trait. This is something his maternal grandmother 9112W does exceptionally well. Her performance is always middle of the pack, but she does it quietly with excellent udder, foot & leg structure. Just a solid cow quietly going about her business. If you're looking for a solid bull with an injection of calving ease give Emil a look.

Bedrock is hands down our go to calving ease bull. For three years we used him exclusively on our heifers, both commercial and purebred. He's a bull that is the correct shape for the job. Not every heifer he's bred to is raised to produce calving ease bulls. But, as a heifer they are all exposed to a calving ease bull. The results are some good cow bulls with an injection of calving ease. Ernest is one of these bulls. Have a look.

We are very pleased with the job Errol's dam, 381B, is doing for us. We have retained both of the daughters she has produced in herd. The first, sired by Bedrock, just weaned off an Upper Cut son with a WI of 113. Her second daughter is sired by Brandin Iron and is currently showing lots of promise in our replacement heifer pen. Errol is a smooth made, structurally correct athletic bull that should give you a beautiful set of replacement heifers.

**A DAY WITHOUT
COWS IS LIKE...**

JUST KIDDING. I HAVE NO IDEA.

TERMS & CONDITIONS

INSPECTION & SEMEN TESTING - All bulls will be Semen tested and vet inspected prior to the sale. Sale day weights and scrotal measurements will be provided sale day.

BIDDING - Each animal will be sold to the highest bidder. The auctioneer will settle any disputes as to bids, and his decision will be final. Changes of information contained in this catalogue will be corrected by announcements from the block at sale time and shall take precedence over any printed material.

TERMS - The terms of the sale are cash or cheque. The right of property shall not pass until after settlement is made. All settlements will be made with the clerks of the sale immediately following the conclusion of the sale. Each animal becomes the risk of the purchaser as soon as it's sold.

WINTERING - All animals will be wintered at no charge until delivery. Prior arrangements must be made if the bull is to stay any longer than May 1, 2019 and may be subject to a boarding fee.

DELIVERY - Free delivery within a 300km radius of Medicine Hat, AB or the nearest port of entry. Deliveries will begin after April 1, 2019 at our earliest convenience. **No bulls will be loaded out sale day.**

REGISTERED LOTS - A certificate of registry will be mailed to the buyer for each animal after settlement is made. All bulls sell under the terms and conditions of the Canadian Angus Association's Breeders Guarantee.

GENERAL - Lust Farms reserves the right to cancel or postpone the auction if we deem such action is necessary.

LIABILITIES - All persons who attend the sale at Lust Farms do so at their own risk and the seller assumes no liability, legal or otherwise, for any accidents occurring on the premises.

Repeat Customer Program

After the purchase of 4 bulls receive a 5% discount on the purchase price of your 5th bull.
