

Sing - Gary Barlow

Some words they can't be spoken only sung
So hear a thousand voices shouting love
There's a place, there's a time in this life when you sing what you are feeling
Find your feet, stand your ground
Don't you see right now the world is listening to what we say?

Chorus:

Sing it louder, sing it clearer, knowing everyone will hear you
Make some noise, find your voice tonight
Sing it stronger, sing together, make this moment last forever
Old and young shouting love tonight

To sing we've had a lifetime to wait (wait, wait, wait)
And see a thousand faces celebrate (we're here to celebrate)
You brought hope, you brought life, conquer fear, no, it wasn't always easy
Stood your ground, kept your faith
Don't you see right now the world is listening to what we say?

Chorus:

Sing it louder, sing it clearer, knowing everyone will hear you
Make some noise, find your voice tonight
Sing it stronger, sing together, make this moment last forever
Old and young shouting love tonight
Some words they can't be spoken only sung
To hear a thousand voices shouting love and life and hope

Just sing, just sing
Just sing, just sing

Chorus:

Hear a thousand voices shouting love
