It is unequivocally understood by all parties that this inspection does not grant permission to the company to begin hauling on the Road(s) or section of road(s) described herein. No hauling on the road(s) or section of road(s) described on this inspection memorandum is to begin until a permit has been issued by a Jefferson Township Official. Type 1 and Type 3 permits are valid only when the permit is carried in the over posted weight vehicle. Type 2 permits require documents described in Section 189.3 c of the PA Dept. Of Transportation regulations, Chapter 189.
