Happy New Year, David.

I am writing to invite you to meet with me and NAPFA's Executive Committee to discuss the questions you have raised on the NAPFA Engage Forum regarding NAPFA's governance and strategic framework. Please let me know if you are available on January 9 before 1:00 p.m. CT or on January 15 before 12:00 p.m. CT. If neither of those times works, we can also look at availability on January 7, 8, or 13.

I look forward to hearing from you.

Best regards,
