Saturday : 8 am - 4 pm

### APRIL & JUNE - NOVEMBER

Monday - Friday : 8 am - 5 pm  
Saturday : 8 am - 4 pm

### WINTER

By appointment only

## Hello Everyone!

As we work through a long, cold winter, may we appreciate the promise of spring nipping at its heels. After a wetter, colder than average spring in 2025 followed by hot dry weather later in the year, we've certainly been challenged by weather extremes. It does make us hope for a moderate spring, but we still wish to be content with what God sends.

Throughout our catalog, you will see new items, primarily in the shrubs department. We also hope to be better supplied with peaches, than in years past. Our goal is to continue building relationships with our suppliers, so we can keep bringing high quality, new products, and good service to the table. In this way we can build on what you, the customers have entrusted to us.

In addition, we offer planting, delivery, and should you need help with designing, we can assist with that as well.

*Thank You For Your Support!*

*Troyer Tree Farm*

*Michael + Susan, Rosa, Marcus, and Michael Jr.*

★ DATES SUBJECT TO CHANGE

### DISCLAIMERS & POLICIES

Availability, prices, and sizes are subject to change at any time. We offer a 50% one-time replacement within one year from date of purchase. However, we reserve the right to reject any or all claims due to negligence, improper planting, natural disasters, wildlife damage, extreme weather events, etc. If a suitable replacement isn't available, we will issue credit or return funds.

Items sold with this symbol: \* (fall availability) will not be covered under our replacement policy until after Sept. 1.

At this time, our replacement policy does not cover wholesale accounts.

At no time will Troyer Tree Farm be responsible for more than 50% of the original purchase price.

You must bring your receipt to file a claim.

Many plants we carry are patented. They cannot legally be reproduced in any way.
