GOLF COURSE UPDATE

Dear Members,

I hope this message finds you well. As we move into the spring season, I wanted to update you on a few important things happening around the course:

1. **Tees, Fairways, and Greens:** I'm pleased to report that the tees, fairways, and greens are all greening up nicely as we move into the warmer months. The course is beginning to take shape for the season ahead, and we are excited for the upcoming weeks.
2. **First Mowing:** The first mowing of the tees and fairways is scheduled to take place during the week of April 7th – 11th. We anticipate this will help the course continue to improve and provide excellent playing conditions.
3. **Bridge/Ditch Project on Holes #16 & #17:** Work on the bridge and ditch project on holes 16 and 17 is set to begin in the next week or two. We appreciate your patience as we work on this improvement.
4. **Weekly Topdressing Regimen:** We have started our weekly topdressing program to maintain and improve the course's condition. To allow for this work to be done properly, we kindly ask that you refrain from teeing off before 1:00 PM on Mondays.
5. **Course Maintenance on Mondays:** Lastly, please be mindful that on Mondays, we may have maintenance personnel working on various parts of the course. We ask that you avoid playing any holes where maintenance is actively taking place.

Thank you for your understanding and cooperation. We are committed to providing you with the best possible golfing experience, and we truly appreciate your support. If you have any questions or need further information, don't hesitate to reach out.

Best regards,
Dan
Course Superintendent
