THE BLUE KNIGHTS

The Blue Knights® International Law Enforcement Motorcycle Club, Inc., is an International fraternal organization comprised of law enforcement officers and their families who are also motorcycle enthusiasts.

Headquartered in Bangor, Maine, the Blue Knights® operates under an international constitution and bylaws within an organizational structure of an international board of directors and eleven regional conferences, each conference including a number of local chapters. The Blue Knights® promotes safe and responsible motorcycling and sponsors fund raising in support of numerous charities.

The inception of the Blue Knights® came in April 1974 when a Bangor Maine, police officer had the idea of forming a motorcycle club for people in law enforcement. Since then, the club has grown to become the foremost and largest international law enforcement motorcycle club. Today, there are over twenty thousand Blue Knights® worldwide in six hundred in six hundred chapters in the twenty-nine countries and one commonwealth.

OUR CHAPTER IN SAN DIEGO

CALIFORNIA VI

Chapter California VI was formed in 1987 by a group of seventeen San Diego area law enforcement officers, some retired and some on active duty. We have been chartered since January 1988, making us one of the oldest currently existing Blue Knights® chapters in California. Our members are full-time, part-time and retired law enforcement officers from local, county, state and federal levels.

We are presently one of the largest chapters in the Southwest Conference, with over 40 members on our rolls. Chapter California VI members strive to promote a positive image both of law enforcement and motorcycling. We are active in community service projects, and each year we donate to local charities.

Chapter meetings are held at 0900 on the second Saturday of the month at the Broken Yolk Restaurant, 1851 Garnet Avenue, Pacific Beach, CA. (Unless that is a holiday weekend) After the breakfast and one hour meeting, we go for a ride.

Persons interested in becoming a member may contact Vice President Ray Juanengo by email at: BlueKnightsCAVI.VP@gmail.com

PRESIDENT'S MESSAGE

Ken Smith President

Greetings Blue Knights CAVI, and all my brothers and sisters around the globe.

It has been a very busy year for us here in San Diego, from hosting our Poker Run, Summer Picnic, Xmas Party, and in bidding and getting awarded the honor of hosting the Southwest Conference in 2026. Plus, we rode in a number of other rides this year including with our brothers over at the American Legion Riders, Toys for Tots, November Knights, and others. And as we come down to the end of the year, we're not finished yet! There is a Christmas Eve ride out of county that the Bellosos will be heading up once again. I'm trying to finagle my schedule to go! Who wouldn't want to dress as Santa and ride a beautiful motorcycle for a good cause!

Due to scheduling and logistical circumstances, we weren't able to award our Lord and Lady Knight of the Year at our Xmas Party, however, we will do it at the January General Member Meeting. All the more reason to start the new year off right by coming to a meeting, having a great meal, going on a great ride, and enjoy the camaraderie of our Chapter. Plus, it would be nice to have a large turn out to honor our awardees.

While it is wonderful to embrace ourselves and all that the Blue Knights stands for, it is that time of year to especially be embracing, and cherishing, and GIVING to others. While many of us have been blessed to be able to give a little extra to others when we can, there are those who are able to give the most precious gift of all: ourselves. Giving your time and attention to someone is the greatest thing you could ever do, and the holidays give us the time to do just that. I hope that you all will get the chance to be with those you love and care about most during the holidays, and make memories to last a lifetime. Be sure to take a moment to say a prayer for all of our Blue Knights, and those in the Law Enforcement Community who are out there doing it all for US.

If any of you are aware of a Blue Knight in need during this time, even something as simple as having a place to have a Christmas dinner, please be sure to reach out, or contact any of our board members, and we will get to work!

I am honored to be your President and so proud of all of you, for what you have accomplished, the Club you have built, and for the work we are going to do for the Southwest Conference. There's a lot to look forward to in 2026, let's enjoy it together.

I wish all of you and yours a blessed holiday season, a Merry Christmas and a Happy New Year. Ride With Pride!!!!

SAFETY MESSAGE

Mike Manen, Safety Officer

Naughty or Nice

It was about this time last year when the chapter was talking about participating in a Santa Ride near Huntington Beach. Since I was scratching my head as to what to write about this month, are there any rules or do's and don'ts concerning riding in a Santa costume, so here are the results of what I found.

Riding a motorcycle while dressed as Santa is a festive activity that brings holiday cheer to communities through local rides, community events, and charity work. However, there have been isolated incidents of "motorcycle Santas" involved in criminal activity, such as high-speed chases. Ultimately, whether the activity is positive depends on the rider's intent and actions.

Positive aspects

- **Spreading holiday cheer:** Many motorcyclists dress as Santa to spread cheer, make people smile, and create fun memories for children and adults alike.
- **Community events:** This often involves participating in local holiday parades or organizing group rides, like the "Santa Crawl" mentioned in the [Tampa Grom Squad YouTube video](#).
- **Charitable giving:** Some "Motorcycle Santas" use their platform to give back to the community, such as preparing and delivering food baskets for families in need.
- **Increased visibility:** Wearing a bright Santa outfit can make a rider more visible on the road, which can be a safety benefit.

Negative aspects

- **Criminal activity:** There have been instances where individuals dressed as Santa on motorcycles have engaged in illegal activities, such as speeding and leading police on high-speed chases.
- **Misinterpretation:** A motorcyclist in a Santa suit, even if just trying to spread cheer, might be misconstrued as an unusual or concerning sight by onlookers or law enforcement.

How to be a "good" motorcycle Santa

- **Be mindful of safety:** Always follow traffic laws and ride responsibly. A high-speed chase, even in a costume, is dangerous and has legal consequences.

- **Focus on community and charity:** If you choose to ride as Santa, consider making it a positive force by participating in charity events or community drives.
- **Ensure your costume is safe:** Make sure your Santa outfit does not interfere with your ability to operate the motorcycle safely and that it doesn't impede your visibility to other drivers.

So what does California law say about Santa?

Riding a motorcycle in a Santa costume in California is **legal** as long as the costume does not obstruct your vision, interfere with the proper function of a U.S. DOT-compliant helmet, or pose other safety hazards.

The primary legal requirements in California are safety-related:

- **Mandatory Helmet Use:** All motorcycle operators and passengers are required by California Vehicle Code § 27803 to wear a safety helmet that meets Federal Motor Vehicle Safety Standard 218 (FMVSS 218) and has a visible U.S. DOT certification sticker. The helmet must be securely fastened with the chin straps. A Santa hat worn over or instead of a proper helmet is a violation of this law.
- **Unobstructed Vision:** Your costume, including any mask or beard, must not obstruct your peripheral or forward vision. If the costume interferes with your ability to see clearly, it could be a violation of the vehicle code concerning obstructed views (Veh C 26708(a)(2)).
- **Safety and Operation:** The costume cannot be so bulky or ill-fitting that it impedes your ability to safely operate the motorcycle, use the controls, or be seen by other drivers. Law enforcement can stop a rider if they believe the costume creates a safety hazard or constitutes reckless driving.
- **Intent to Evade Police:** Wearing a disguise for the purpose of evading or escaping detection by police during the commission of a public offense is a separate criminal offense under California Penal Code § 185 PC. Assuming you are participating in a seasonal event in good faith, this statute would not apply.

In summary, ensure the Santa costume is integrated with or worn over proper, safe riding gear and does not hinder your ability to ride safely and legally. If you are pulled over, it is advisable to cooperate with law enforcement and remove any face covering if asked. For official legal guidance, you can review the full [California Vehicle Code](#) directly.

9th Annual

November Knights

Gathering

Hosted by Arizona VI (Greater Phoenix Valley - Maricopa County)

November 13 - 16, 2025

Words by Alan Wheeler

Once again, the 9th annual non-event gathering had high participation. Over 100 members/spouses from 13 States and Canada attended this no meetings, no agenda, and no registration gathering. Participants simply socialized, ate and rode (no planned rides, however participants made their own plans for next day rides).

Chet Parker, AZ VI President, made everyone feel welcome with his gracious nature and booming smile. His chapter supplied bottled waters, sodas, and a large array of snacks. Holiday Inn Express & Suites Glendale supplied daily breakfast and a pool area for socializing. Perhaps a few corks were also pulled.

Impromptu rides included:

Tortilla Flat - an old as dirt Country Store and Saloon (with real horse saddles for bar stools). Its claim to fame: the last surviving stagecoach stop along the Apache Trail.

Bikes at Tortilla Flat

Goldfield Ghost Town - a reconstructed 1890's town including gold mine tours, a history museum and Old West simulated gunfights.

The Horny Toad - a Cave Creek eatery with saloon decor and Old West character.

This year's weather cooperated nicely, as rain was forecast but never materialized. Sunny days with a high of 82 made for compelling rides. For those of you who missed this year, I highly recommend you attend next year's 10th annual Non-Event. The biggest little Non-Event ever.

BK News You Can Use

The Town Crier

Year 2025 in Review

In this, our final issue of the Knightly News for 2025, we take a look back at the events of the year.

In January, Ride Coordinator Mike Belluso made a compelling pitch to our members for our chapter to bid for the 2026 Blue Knight Southwest Conference to be held in San Diego. On June 11, 2025 the SWC Board of Directors approved our request at the Southwest Conference in Red River, New Mexico.

The SWC Winter Gathering at Lake Havasu occurred the end of January and first of February. Several of our members attended, and Alan Wheeler wrote an article about the event.

In March we remembered Joseph Wambaugh, famous author, local resident and guest speaker at our 2005 Southwest Conference who passed away. Joe was a Commissioner with the San Diego Police Museum and a supporter of the Blue Knights.

Also in March, Blue Knight Treasurer Chuck Belletti and wife Judy toured the Harley

Davidson Museum in Milwaukee, Wisconsin. Chuck wrote his story for the Knightly News.

May was a busy month for Blue Knights. Michelle Juanengo, winner of SWC and

BK CA VI Lady Blue Knight of the Year, facilitated the annual Veterans Benefit Ride at Biggs Harley Davidson. The event saw about 5,000 people in attendance, and raised \$15,000 for the Veterans. Many CA VI Blue Knights attended the event.

Also in May, Alan and Betsy Wheeler joined Mike and Sistiana Belluso on a tour of the Ronald Reagan Museum. The story and photos appeared in the Knightly News.

Blue Knight Secretary Mike Wagner was joined by several CA VI members on the Fort Rosecrans Memorial Day Ride. They joined a procession of about 375 riders, who traveled to Fort Rosecrans for the ceremony. Mike chronicled the event in our newsletter.

In June our chapter sponsored a teen race car driver, Santiago Lopez. We joined several other sponsors to help local resident Santiago pursue his hobby. Our Blue Knight logo was proudly displayed on his car.

In August we hosted our annual Poker Run. Starting at San Diego Harley, riders took a scenic route through San Diego and back to the start for lunch and raffle prizes.

Also, in August we had Blue Knight Carmen Feldhordt visit us from Germany XVI. Carmen was provided with a rental Harley and a tour of the San Diego area.

Our annual Picnic was once again hosted by the Wheelers in September. Attendance included members of other Blue Knight Chapters as well. This is a great event that we look forward to, and the Wheelers are wonderful hosts.

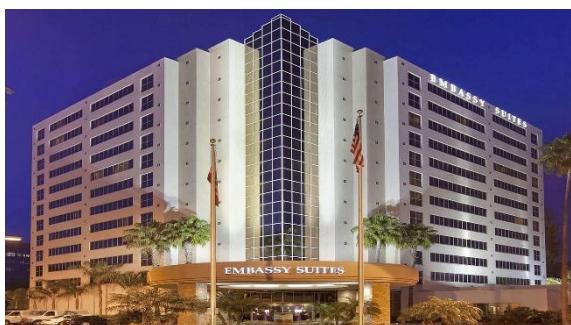

Early in October Blue Knights Rick Carlson and Jack Knish assisted at the Annual San Diego County Motor Officers Association competition. Participants were all active-duty motor

officers who competed in full uniform on their fully equipped motorcycles.

November saw chapter members participate in two Memorial Day events; The Veterans Memorial Structure in the City of Santee held a flag ceremony and we visited the Veteran's Home in Chula Vista.

And finally, we once again held our annual Christmas Party and business meeting at the Embassy Suites.

There were many more rides and events in 2025, but not enough room to include them all in this article. Our members and our Chapter support other clubs, and there are always places to go with fellow Blue Knights.

2025 Toys for Tots Event

by Mike Wagner, Secretary

On November 23, 2025, eight Blue Knight members from Chapter VI, San Diego, California and one guest rider attended the 12th Annual San Diego, California Toys for Tots Event.

The event was sponsored by Indian Motorcycle of El Cajon. The event started at Indian Motorcycle located at El Cajon, California and ended at Del Mar Racetrack located on Jimmy Durante Blvd, Del Mar, California. The attendees were Ken and Patti Smith, Randy and Michele Alldredge, Richard Bennett, Mike Wagner, Mike Daly, Mike Belluso, and Jennifer Wade.

Riders started arriving early in the morning to register for the event. It was a beautiful and clear day. A perfect day for a motorcycle ride! There were about 85 riders and passengers who participated. There were even a couple of automobiles that followed the motorcycles to Del Mar.

Before the riders and passengers departed Indian Motorcycle there was a 50-25-25 drawing, safety brief and a group photo taken. Then there was the noise of motorcycles being started and the riders and passengers getting ready to leave.

President Ken, Santa & Patti

The ride to Del Mar was uneventful. Everyone arrived safely. Motorcycles were directed to park in a designated area. Once everyone parked their motorcycles everyone started placing the toys they had purchased in bins provided by the United States Marine Corps. The riders/passengers were then given a ticket to enter Del Mar Racing Grounds.

California VI riders arriving at Del Mar

Once inside Del Mar Racing Grounds; riders/passengers could buy raffle tickets for various raffles. There were numerous eating places for lunch and drinks.

Later, riders and passengers could be seen even watching some of the horse racing events taking place on the racetrack.

CHAPLAINS CORNER

by Randy Alldredge

January 2026

Wow... where did 2025 go? Seems like each year comes and goes quickly these days!

As we bring in a New Year, we get a renewed chance to start this year off fresh. The end of each year is a great time for reflections from the departing year's trials and tribulations with new hopes of a blessed year. Some of us make New Year's resolutions. Some of us set new goals for the New Year. Some of us just continue moving forward through the New Year with the same goals and resolutions as last year (still working towards success).

I always set new goals for the New Year and include some of my unaccomplished goals from the past year. This year I am focusing on my spiritual goals. I strive this year to become a better witness for Our Savior. I pray that I bring at least one person to know Jesus as Our Savior. Whatever your personal resolutions or goals are for the New Year, I pray each one of you will include more worship, daily prayers, nightly Bible reading, and a renewed commitment to Jesus. All see a better year with Jesus in our hearts and his daily presents in our lives!

I am always reminded each New Year of the Bible verses most of us know; Genesis 1:1 "**In the beginning God created the heavens and earth.**" What a powerful verse! What a great time, January 01, 2026, to remember one of God's greatest creations, Heaven and Earth!!

Happy New Year!!

God Bless!

Note: If anyone needs special prayer, please email me at ran5150@yahoo.com so I can add you to my prayer list. All prayer requests are confidential.
