ABOUT US

LION Great Energy Group of Companies is a fuel trading company operating under the leadership of its CEO, supported by a board of directors and shareholders, and a total workforce of 187 employees.

We have capital of SGD 35 million and holds significant assets, including:

- 20 fuel stations
- 20 fuel bowsers
- 4 fuel tankers

LION Great Energy Group of Companies is directly contracted with foreign companies and actively exports fuel abroad.

It stores fuel at four terminals and distributes it across various regions.

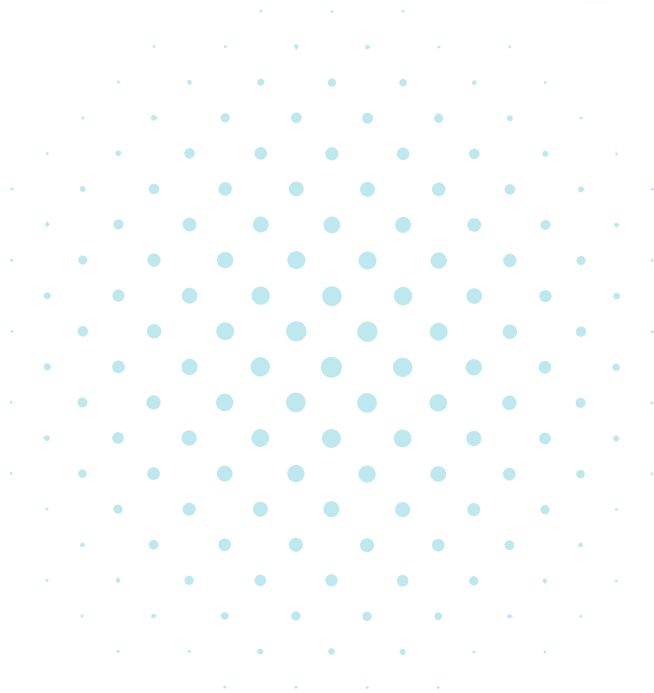

Since signing a KYC contract with supplier companies in 2020, we been engaged in fuel export and sales.

Currently, it imports and sells 100,000 tons of fuel.

OUR VISION

"To be the most trusted enterprise in international energy distribution, delivering reliability, quality, and excellence in every transactions."

OUR MISSION

"To provide reliable energy support to businesses driving social and economic development by importing, distributing, and selling fuel with full responsibility, adhering to international standards."

OUR PRIMARY GOAL

BUSINESS EXPANSION

1. Fuel Station Expansion

To increase the number of fuel stations from 20 to 30 within a year.

2. Marine Transportation Growth

To Expand the fleet of fuel tankers and barges from 4 to 10 to enhance marine transportation and communication.

3. Increased Fuel Export

Boost high-quality fuel exports from 30,000 tons to 50,000 tons to meet growing fuel demands efficiently.

4. Employment and Social Responsibility

To Create new job opportunities and contribute to the community as a responsible corporate citizen.

CORPORATE GOVERNANCE STATEMENT

At **Lion Great Energy Group of Companies** we are committed to maintaining the highest standards of corporate governance, transparency, and ethical business practices. Our governance framework ensures accountability, fairness, and integrity in all our operations, aligning with international best practices and regulatory requirements.

Key Principles of Our Corporate Governance:

1. Leadership & Accountability

Our leadership, including the CEO, board of directors, and key stakeholders, upholds ethical decision-making and strategic oversight to drive sustainable growth.

2. Transparency & Integrity

We prioritize open and honest communication with stakeholders, ensuring compliance with legal and regulatory frameworks.

3. Risk Management & Compliance

We proactively identify, assess, and mitigate risks to safeguard business continuity and stakeholder interests while adhering to international standards.

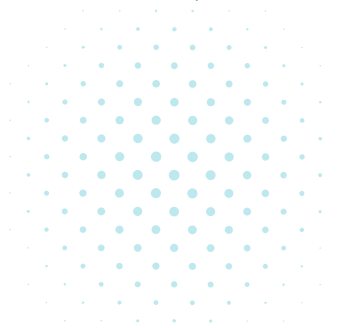

4. Sustainability & Corporate Social Responsibility (CSR)

We strive to contribute positively to society by promoting responsible energy distribution, environmental sustainability, and employment opportunities.

5. Stakeholder Engagement

We foster strong relationships with investors, employees, customers, and business partners through collaboration, trust, and shared success.

By adhering to these principles, Lion Great Energy Pte. Ltd. aims to enhance operational excellence, reinforce investor confidence, and ensure long-term success in the international energy sector.
