DESERT WATCH USA

COMMUNITY DESERT DUMPING PREVENTION PROGRAM

Goal: Coordinate local communities to Prevent the Pollution of our Deserts, Water-Ways & Highways

Input from Community Members on what's needed: Mojave, Little Rock, Acton, Lake LA, Lancaster, Palmdale, LA Sheriff's Dept.

Communication with Public Better Highway Signs With Flashing Lights

High-end Camara System Program much like Downtown LA

Desert Watch RANGER Volunteer Program / Leadership, Captains, Teams

New Funding for Desert Volunteer Clean up Groups working with Non-Profits & NGO's

Each Community needs Transfer Stations: that are free to DUMP at or Something to the effect.

Solar Lighting in key areas / Hot Spots

Create more Community Education Programs

COMMUNITY DESERT DUMPING PREVENTION PROGRAM

Actions taken or to be taken:

Create Website for Local Groups to use / Post events / Completed: desertwatchusa.org

Amend current state legislation: Penal Code 374.3 and other codes (Language TBD)

Provide a written program that would be adopted by the state legislature (to include new funding)

Work with local cities and towns councils to update, current dumping plans to include new legislation

Write a risk management plans for local clean up groups to use in their clean up efforts

Provide coordination with Cal Trans, County Department Public Works, EPA, Law enforcement in an effort to map out hot spots

Update / Create: Public Communication, Surveillance Programs, Volunteer Patrols & Enforcement programs... Give a Hoot – Pitch In... etc.

Create NEW Mascot: HAWKEYE to be used in youth education programing

DESERT WATCH USA

COMMUNITY DESERT DUMPING PREVENTION PROGRAM
