## Flexible Metal Pre-Wired Whips

- Factory fabricated wiring assemblies typically used for lighting and power distribution in commercial buildings.
- Highly flexible

//

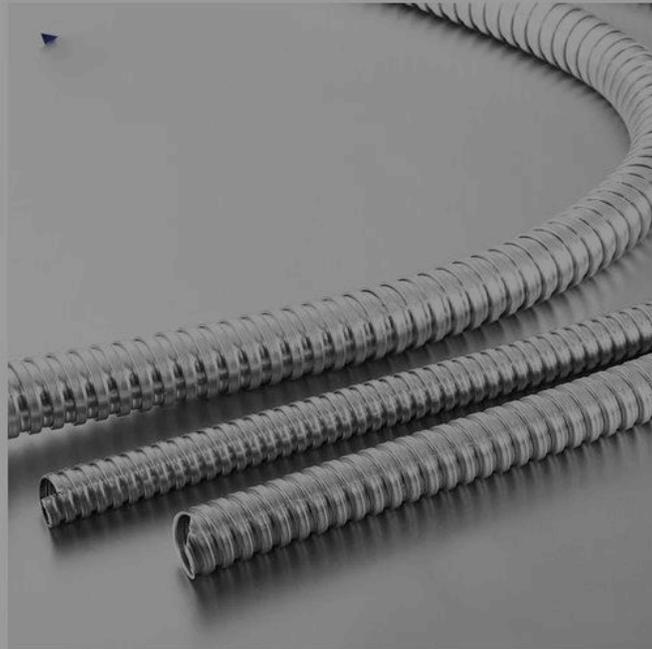

# For Lighting and Power Distribution

Prewired armored conduit

//

## 3/8" & 1/2" Trade Sizes

Standard fixture whips at 3/8"; and illumination control whips at 1/2"

//

# Make Connection Easier

Both snap-in and screw-in connectors are available

# // Ready to Use Right Out of the Box

Pre-installed with solid wires

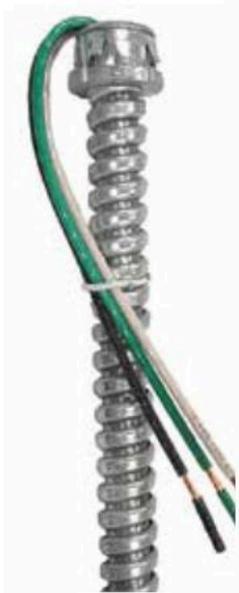

# SPECIFICATIONS
