

Electric Panel Boards & Switchgear

1. In-house end-to-end cabinetry design, painting and assembly across several different manufacturers.
2. Low-, medium- and high voltage custom-designed systems.
3. UL-listed MCCBs and other components from international manufacturers such as ABB, Schneider Electric and Siemens.
4. 20-45 day manufacturing lead times, compared to 350+ days in the US.
5. Comes with US limited warranty, instructions and safety labels in English, and are fully NFPA 70 (National Electric Code) compliant.

Factory-Direct Construction Materials for New Construction & Retrofit of Commercial Real Estate Projects
