Exhibit: A

Date Issued: October 5, 2020

Re: Case Number: 2020 – CW – 52999

I, Akeem Rashaad El Bey ("Affiant"), of lawful age, and being first duly sworn upon affirmation, deposes and says:

I am a Sharif officer with the Consulate of Morocco in the Georgia state republic. I hold delegation of authority to exercise the functions and duties of the Office of the Sharif with the Consulate of Morocco in the Georgia state republic, and to exercise consular jurisdiction over the person and property – estate of our Moorish American Nationals in the Georgia State republic territory in accordance with the provisions of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire.

I have first-hand knowledge and information of our Moorish American National Kia Aqeel El Bey being presently denationalized and held hostage for profit as surety for non-de

guerre CHARMAIN LILLIAN JACKSON, DOB: 11/02/1992, ID No.: 2133632, [Race: Black] in unlawful imprisonment under color of state law, under the custody of Victor Hill, (acting as) Sheriff for CLAYTON COUNTY, Georgia, at the following location:

CLAYTON COUNTY JAIL (Inc.)  
9157 Tara Blvd  
Jonesboro, Georgia Republic [Near. 30236]

I further assert that the unlawful imprisonment was due to the following circumstances:

1. On October 2, 2020, near the corporate COUNTY OF CLAYTON, Georgia state republic, our Moorish American National Kia Aqeel El Bey was exercising her right to travel, and was arbitrarily detained and eventually kidnapped, denationalized as a civilly dead stateless person, and held hostage for profit as surety for CHARMAIN LILLIAN JACKSON (race: black) under the custody of Victor Hill, (acting as) Sheriff for CLAYTON COUNTY, Georgia, by an unidentified armed male highwayman, doing business as policeman / employee / contractor of the foreign CLAYTON COUNTY POLICE DEPARTMENT (Inc.).
2. As a result, our national Kia Aqeel El Bey is presently being held hostage as prize and deprived of her liberty under color of state law within purview of the plausible 14<sup>th</sup> Amendment, contrary to and in violation of the supreme Law of the Land under Article VI, clause 2 of the Constitution for the United States Republic of North America.

---

Because of which, this is an international treaty matter which comes under the jurisdiction of the Consulate of Morocco in the Georgia state republic, and our national Kia Aqeel El Bey is to be immediately released by such consular jurisdiction per Articles 6 and 20 of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire, which aver the following:

Article 6. (in relevant part) ...if any Moor, not a subject of these dominions, shall make prize of any of the citizens of America, or their effects, and bring them into any of the ports of his Majesty, they shall be immediately released, as they will then be considered as under his Majesty's protection.

Article 20. If any of the citizens of the United States, or any persons under their protection, shall have any disputes with each other, the Consul shall decide between the parties, and whenever the Consul shall require any aid or assistance from our government, to enforce his decisions, it shall be immediately granted to him.

WHEREFORE, Affiant requests that the honorable Consulate of Morocco in the Georgia State republic issues a writ of habeas corpus ad subjiciendum and release order according to law, directed to Victor Hill, (acting as) Sheriff for CLAYTON COUNTY, Georgia, and to Jacqueline D. Wills, etc., (acting as) Administrative clerk of the foreign corporate entity SUPERIOR COURT FOR CLAYTON COUNTY (Inc.), commanding that they forthwith release the body of our national Kia Aqeel El Bey as provided by federal common law under Articles 6 and 20 of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire, and the stare decisis law in the case *Kolovrat v. Oregon*, 366 U. S. 187, 194, 81 S.Ct. 922 (1961), which the Supreme Court of the United States stated the following:

*"A state cannot refuse to give foreign nationals their treaty rights because of fear that valid international agreements may possibly not work completely to the satisfaction of state authorities. Under the supremacy clause of the United States Constitution Art. VI, clause 2, state policies...must give way to overriding federal treaties and conflicting arrangements."*
