Qual-Air HVAC, Inc.

Letter of Recommendation

January 30, 2024

After many years and many projects together, my experience working with Qual Air has always been pleasurable and successful. Paul and Michelle have always delivered a quality product on time, on budget, all while being a pleasure to work with. Their knowledge, positive attitude, honesty, and willingness to get the job done right and on time is what sets them apart from other contractors. I look forward to working on many more successful projects together.
