

Just So You Know

Publication # 21

Dear Unit Owners:

We are experiencing a lot of shut down issues as you visit the clubhouse. Please take note that lights, heat & air, coffee pots, etc. have been left on, causing expenses we have not budgeted for.

If you have a group that uses the clubhouse, we want you to have a great experience and lots of fun. We suggest that you assign a hostess for your group that will be responsible for setting the thermostat back, turning lights and appliances off and locking both doors. There are signs to share the instructions for shut down.

Thank You for your cooperation,
Board of Directors

Just So You Know Announcements are sent by email only. They are also posted on the bulletin board in the clubhouse. If you have a neighbor who does not get email, please share with them and encourage them to check the bulletin board often.
