

Diwali Celebration on
November 16th 2019
4 PM at the Rothschild Pavilion

The Indian Society of Central Wisconsin is proud to announce that the 5th annual Diwali Celebration is coming soon! Please come to join in cultural dancing, authentic Indian cuisine, and a night of fun in celebration of Diwali, the festival of lights with the Asian Indian community. An elaborate dinner and refreshments will be provided along with a night of dancing to appropriately celebrate Diwali.

The Wisconsin Asian Indian community has grown by around 25% in a ten year period, and the trend is expected to continue. Last year's event was sold out at 500 people and was a huge success. We would like to continue to grow this event and turn it into a Central Wisconsin tradition to celebrate our multi-cultural city.

In previous years, this event had been privately funded by ticket sales and donors. For the last few years we were able to secure corporate sponsorships and this allowed us to keep the ticket prices extremely low to encourage attendance from people from all walks of life. We would love to have you partner with us this year. Please note that to keep sponsorship requirements lower, there will still be a small fee for the attendees, but it will be substantially lower than previous years.

Additionally, all extra proceeds will be donated to United Way to directly feedback into our local community. We were able to make a nice contribution to the United Way of Marathon County last year, thanks to the generosity of our sponsors and the popularity of our event.

Please see below for additional details on the sponsorship levels, and additional details of the event. We look forward to your support and attendance to this fun event!
