

Favorite Character Pumpkin Project

Hello Families!

It's October and pumpkins are everywhere! We have been working hard in class learning about the characters and settings of the books we read and the stories we write. I thought it would be fun to have a project that celebrates the fall season and what we have been learning in class. Remind your child that characters are people, animals, or creatures in the story. It is the WHO of the story.

Ask your child to think about one of their favorite story characters. It could be from a favorite storybook from home, or even one they have heard from school. **Using the attached pumpkin, or a small real pumpkin if you prefer**, have your child choose a character to decorate their pumpkin as that character. Be creative... you can use things such as paint, googly eyes, pipe cleaners, fabric, buttons, etc.

Please complete and return your child's pumpkin by:

Tuesday, October 15th

Please fill out the bottom portion of this paper and return with the pumpkin as well. We will share these fun projects with each other.

See some examples below. Please let me know if you have any questions. If you need ANY help gathering the supplies to complete this project, let me know! I have supplies here at school that I can send home with your child. **Please remember that if you choose to use a real pumpkin, the smaller the better.** 😊

Child's Name _____

Book Title _____

Favorite Character _____
