### **Uniform Policy**

Please be sure that you are aware of our uniform policy that can be found on our school website under the "parents and students" tab. As we have entered this last

half of our school year, we are seeing students getting lax about following our policy. If students are not in uniform, and do not have a NUT Day pass, they may be asked to change clothes. We have a uniform closet with gently used uniform items for any family who may need it. Please inquire at our front office if your child needs additional uniform compliant clothing.

### **Mystery Reader**

A Mystery Reader is a surprise reader that comes to our class on a day that fits your schedule! You choose a children's book to read to the class and plan a craft/activity that goes along with the book! I am happy to help you! You will be responsible for planning the book, craft, and materials for 19 students. However, I have LOTS of materials so before you purchase anything, reach out to see if I have what you need. I will be there to help the whole time and will help facilitate. Sign up for a month and let me know a day that works for you!

## **Academics for this Week**

### Phonics & Handwriting

This week we are learning how to sound out CVC (consonant-vowel-consonant) words as well as build these words! We are learning how to identify the beginning, middle, and ending sounds!

### Red Words (high frequency words)

all- <https://www.youtube.com/watch?v=CSlcFfUIQuw>

off- <https://www.youtube.com/watch?v=90ogj7XMoqg>

### Reading Workshop/Guided Reading

Along with assessments for report cards, we will be learning about weather and identifying topic and key details in a text!

### Writing

We are learning what writers do! Writers:

1. Think
2. Draw
3. Label
4. Write

We are now learning that writers write sentences! Writers write sentences by:

- Sound out words by saying them slow like a turtle. Then write the sounds they hear.
- Put a finger space between each word
- Begin the sentence with an uppercase letter and end it with a period.

We are continuing our work with personal narratives. We will focus on telling our stories in sequential order using transition words such as "first," "then," and "last."

## Math

We have begun working with teen numbers. Our focus has been on understanding teen numbers as combinations of tens and ones, as well as practicing number writing. Additionally, we are developing counting skills, including counting to 100 by ones and tens.

For the 3rd quarter, our goals include:

- Counting to 100 by ones and tens
- Counting backwards from 20
- Counting forward from any given number up to 100

These skills can be easily practiced during daily activities, such as car rides or bath time. For additional support, Jack Hartmann offers educational counting songs on YouTube that make learning fun and engaging.

## Science/Social Studies

In Social Studies, we will be working on learning important personal information, including phone numbers and addresses. This is a valuable life skill for our students, and we greatly appreciate your support in helping them learn this information. Early next week, I will send home a form where you can provide the most appropriate phone number and address for your child to memorize.
