## **4. Child Behavior Standards & Discipline (Children 18 months – 11 years)**

Following is a list of rules that West End Drop-In enforces for all children that use its facilities.

- Children must stay within the gated area.
- Children must keep all hands, feet, and other objects to themselves.
- Children will respect and listen to the teachers on duty at all times.

These rules are in place to protect all children and create a safe and healthy environment for everyone. If our staff has any issues or problems with any children in regards to these basic rules, they will be subjected to the following disciplinary schedule.

### **Step 1 - Verbal Warnings (2 or 3 Warnings)**

Attempt to correct offence by talking with the child about what is acceptable and unacceptable behavior at daycare.

### **Step 2 - Timeout Sessions (2 or 3 Sessions)**

Attempt to correct offence by sitting child in timeout for an appropriate amount of time for child's age and infraction.

### **Step 3 - Telephone Call to Parents**

Attempt to correct offence by having child speak to a parent or guardian on telephone about child's behavior.

### **Step 4 - Child Sent Home**

If steps 1 – 3 are not effective in correcting behavior, then the child will be sent home. Additionally, further actions will be discussed with parents or guardians by a representative of West End Drop-In. After the third time a child is sent home, he or she will no longer be allowed to return.

All discipline will be appropriate to the child's age and developmental level. Discipline will focus on teaching appropriate behaviors and self-management. West End Drop-In engages only in positive disciplinary actions including redirection, direct praise, indirect praise, role modeling, and time-outs.

## **5. Sick Child Policy**

It is often difficult to tell when your child is not well enough to go to daycare. If your children are not well enough to participate in their normal daily routine, then they should not be brought to daycare. If your child is not allowed to go to school or other daycare facilities because they are sick, please do not try to bring them here as a last resort. Unfortunately, we do not have the staff or the facilities to take care of sick children.

If your child develops symptoms of illness while at our facility, we will contact the parent or guardian and request that they be picked up as soon as possible.
