

HPED Awards of Excellence

Donald Kelly Award for Civic Engagement

The Donald Kelly Award for Civic Engagement is presented to a person or organization whose notable efforts and good works have impacted the quality of life and economic development of Haverford Township in meaningful and significant ways. The award is named for Donald Kelly, who has served on the Haverford Township Civic Council Board of Directors for the past twenty years, including four years as President, and who was founder and chair of the Task for Force for Economic Development, the precursor to HPED. On the HPED Board, Don has served as President and Vice-President and created the First Wednesday Dining Club and Holiday Window Display Contest. Don also co-founded Haverford Green, which maintains the Triangle Garden in Oakmont. Don continues to faithfully serve HPED and our community. The recipient of this award will exhibit Don's qualities of intelligence, vision, passion, persistence, and hard work. HPED members may nominate recipients; The HPED board makes the final selection.
