

How does the Discover Haverford Keep it Local Gift Card Program work?

Whether you are a resident purchasing our gift card for a birthday or holiday gift, or a business owner using them to thank your customers, you are supporting our local businesses in a meaningful way.

These e-gift cards do not expire and can be used at any participating business, allowing the recipient to use it where they would like - a restaurant, store, or with a service provider.

You can give the gift in a few different ways:

- Text or email the e-card to the recipient with a note
- Print out the receipt with the Mastercard number to enclose in your own card
- Fill out and present one of the convenient cards that HPED has had printed. These cards will be available at participating businesses and posted outside the HPED office at 412 Darby Rd.

WHY SHOP LOCAL?

1

INVEST IN OUR COMMUNITY

Our quality of life is enhanced when our businesses thrive and new business want to open here. Not only will we have more options for shopping and dining, but a thriving business community will bring visitors and their pocketbooks to Haverford Township and keep our property values high.

2

BE FRIENDLY TO OUR ENVIRONMENT

Buying locally reducing our carbon footprint by lowering gasoline usage, cutting down on packaging and shipping materials, and reducing pollution.

3

LOCAL BUSINESSES CREATE MORE JOBS

Small local businesses are the largest employer nationally and in our community, provide the most jobs to residents.

4

STRENGTHEN MUNICIPAL FINANCES

When you buy from a locally owned business, you are generating tax dollars for your community. This revenue supports our schools, our police and our roads, and will keep your taxes lower.

5

UNIQUE PRODUCTS

Small business owners often carry unique items that you cannot find at big box stores. When buying for yourself or purchasing a gift, shop local to find something truly special.

6

LOCAL MONEY STAYS LOCAL

When you shop at a nationally owned business, most of the profit is sent to corporate offices and stakeholders far from Haverford Township. When you shop at a locally owned business, most of those profits will be spent and reinvested locally.

7

SUPPORT COMMUNITY GROUPS

Local businesses are invested in our community's future, and many support community non-profit organizations through donations and event sponsorships. Show your thanks by patronizing those businesses.

8

INVEST IN ENTREPRENEURSHIP

Support creativity, hard work, and entrepreneurship when you encounter it. This is what the American economy is founded on.

9

LOVE YOUR NEIGHBOR

Many local businesses are owned by people who live in this community. Supporting a small business owner means food for their family, music lessons for their child, paying off college loans, and funds to improve the looks of their storefronts.

10

CUSTOMER SERVICE

Shop at a small business and you'll receive friendly, knowledgeable service with a smile!
