Full Job Description

KnowledgePoints Learning Academy is seeking qualified candidates to work in our child care programs in the Haverford, William Penn and Southeast Delco school districts. Candidates must be flexible, energetic, and passionate about working with children. Must be willing to work as part of a team. A nurturing, positive outlook is essential. Students range from Kindergarten through 8th grade.

Hour vary based on location. Before Care programs operate from 7:00AM until the start of school (8:40AM), Kindergarten Enrichment classes operate from 8:30AM-3:30PM and After Care programs operate from the close of school (3:15PM) until 6:00PM.

Job duties include directly supervising children, preparing and serving snacks, helping students with homework, implementing and adapting lessons based on an established curriculum, leading games and other activities, completing required paperwork, communicating with parents and school personnel, as well as completing required training. All staff will work to ensure the health and safety of students and staff.

Criminal and child abuse clearances required. Applicants must have at least 2 years of experience working with children. CDA, School-Age Credential or Associates Degree preferred. Teaching experience is also preferred.

Child Care: Van Driver

Job details

Salary: \$20 - \$25 / shift

Job Type: Part-time (school year program)

Hour per week: 10

Qualifications

Experience: child care experience (preferred)

Education: High school or equivalent (Required)

Certifications: Current state approved Driver's License

Full Job Description

KnowledgePoints Learning Academy is seeking qualified candidates to work as van drivers for our school-age child care program operating in the Haverford area. Candidate must be flexible, patient, and comfortable operating a 10 passenger van. A nurturing, positive outlook is essential. Students range from Kindergarten through 6th grade. We provide transportation for students between our facility and the various elementary schools using established routes at specific times. Shifts for drivers may service our before-care program (7:30-9:00am) and after-care program (3:00-4:00pm). Drivers are paid a flat fee for each shift.

Job duties include directly supervising children, working with schools and KnowledgePoints staff to ensure all assigned students are properly accounted for, assisting children on and off the van, transporting students and staff in a safe and timely fashion, obeying all traffic laws and safety guidelines, performing routine cleaning of the vans in use, and updating maintenance logs. All staff will work to ensure the health and safety of students and staff by following established procedures including assisting with cleaning and disinfecting practices as well as approved social distancing measures including the wearing of face coverings.

Criminal and child abuse clearances required. Applicants must have a valid Driver's license and be able to demonstrate their ability to safely operate a 10 passenger van. Experience working with children preferred.
