

PURPOSE

To promote economic recovery and community revitalization, the Haverford Township Façade Improvement Matching Grant Program provides matching grants to businesses, nonprofits or commercial property owners for the purpose of improving the appearance of buildings visible from the street.

Through this program, the Township will match applicant's investment in qualified improvements dollar-for-dollar up to \$25,000.

Funds for this program are provided by Haverford Township through the American Rescue Plan Act to mitigate effects of the COVID-19 pandemic and its effect on the business community.

The program administrator for the Façade Improvement Matching Grant program on behalf of the Township of Haverford is the not-for-profit agency, Discover Haverford (formerly HPED).

Discover Haverford is a partnership with Haverford Township, business and property owners and Township residents. We foster economic growth in Haverford Township by supporting local businesses in a variety of ways, promoting Haverford Township as a shopping and dining destination, hosting events such as Moonlight Dining on the Boulevard and the Haverford Home & Garden Show, and revitalizing our business districts and public spaces. We are a 501(c) (3) organization.
