

## Partner with Acting Antics to Make a Difference!

### Who is Acting Antics?

Acting Antics provides inclusive social instruction through music and theater arts for children, teens, and adults who have difficulty with social skills, a diagnosis on the autism spectrum, or simply want to make friends in a safe, welcoming environment. We've helped thousands in Southeast Pennsylvania and surrounding regions grow through our unique, all-abilities programs like musical theater classes, improv, dance, and Social Nights.

Our goal is to fund 100 students by the end of 2026. With rising applications, we never want to turn anyone away from this transformative space. The joy on our students' faces during performances shows the real impact your support can make! Witnessing our actors shine on stage is truly unforgettable!

### Sponsorship Opportunities

Here's how your business can create a more understanding, joyful community:

- \$1,500: Sponsor one student for the full 16-week Master Class
- \$750: Sponsor one student for an 8-week session
- \$500: Sponsor Social Night activities for ~15 participants
- \$100: Sponsor a family pass to a performance
- Employer matching gifts
- One-time or monthly recurring donations of any amount
