- Warranty coverage begins on the original retail purchase date shown on the original bill of sale.
- Warranty covers defective parts and approved labor for two (2) years, subject to the terms of this Limited Warranty. Normal wear, cosmetic deterioration, impact damage, and customer-caused damage to parts such as windshields, tires, brakes, and seats are not covered. Verified defects in materials or workmanship may be covered with prior approval from BREEZY EV.
- Warranty coverage for rental vehicles, taxis, or other excessive-use applications is limited to six (6) months. Such vehicles must be registered according to their intended use.
- The vehicle frame shall be free from defects in materials for ten (10) years. The frame is defined as the chassis and does not include the drivetrain, suspension, roof supports, paint, or corrosion.
- This Limited Warranty applies only to the original registered retail purchaser and is non-transferable. Warranty claims must be submitted through an authorized BREEZY EV dealer.
- BREEZY EV batteries are covered separately under the applicable BREEZY Lithium-Ion Battery Limited Warranty.
- Approved labor will be reimbursed according to the current BREEZY EV Labor Rate Schedule.
- BREEZY EV will cover standard shipping for replacement parts approved under a valid warranty claim.
- BREEZY EV provides a two (2)-year limited warranty for the controller. Cracks in the controller case or broken posts are not considered defects in materials or workmanship and may be classified as damage caused by abuse or neglect. Such damage is not covered under this Limited Warranty.

This Limited Warranty applies to BREEZY vehicles from model year 2024 and newer. Any changes to this Limited Warranty will be provided with ninety (90) days' notice.

EXCLUSIONS: The following are specifically excluded from the BREEZY EV Limited Warranty:

- Adjustments or repairs required due to normal wear after the first ninety (90) days.
- Routine maintenance items, cosmetic deterioration, and weather-related deterioration.
- Electrical components damaged by fluctuations in electrical current.
- Damage caused by improper or unauthorized repairs. Unauthorized repairs do not automatically void the warranty on unrelated vehicle components.
- Damage or loss caused by vandalism, theft, power surges, Acts of God, or other events beyond the control of BREEZY EV.
- Vehicle or charger transportation costs, damage incurred during transportation, expedited shipping, and field service costs, unless approved in writing by BREEZY EV in advance. BREEZY EV will cover standard shipping for replacement parts approved under a valid warranty claim.
- Parts requiring replacement due to normal wear, cosmetic deterioration, impact damage, misuse, or customer-caused damage, including but not limited to tires, wheel bearings, brake shoes and other brake system parts, light bulbs, windshields, painted tops, seats, and seat covers. Verified defects in materials or workmanship may be covered with prior approval from BREEZY EV.
- Tires are covered, if applicable, by their respective manufacturer.
- Damage caused by non-standard tires that are not approved by BREEZY EV. The use of non-approved tires does not automatically void the warranty on unrelated vehicle components.
- Parts that are defective or damaged due to improper maintenance. This includes, but is not limited to, battery damage caused by extended periods without charging or leaving the battery in a fully discharged condition.

NON-TRANSFERABLE

This Limited Warranty applies only to the original registered retail purchaser and is not transferable to any other person or entity.

BREEZY

REMEDY

The sole remedy under this Limited Warranty, and BREEZY EV's sole obligation in the event of a defect in the vehicle or battery charger, is that BREEZY EV will, at its sole option, repair or replace any defective parts. This remedy precludes all other remedies, including any lawsuits, claims, or other proceedings alleging strict liability, negligence, breach of contract, or any other cause of action.
BREEZY EV reserves the right to improve or change the design of any BREEZY EV vehicle or battery charger without assuming any responsibility or obligation to modify previously manufactured vehicles or battery chargers.

DISCLAIMER

This warranty is made in lieu of all other warranties, implied or expressed, including any warranty of merchantability or fitness for a particular purpose. BREEZY EV further disclaims all liability for incidental, exemplary, punitive, or consequential damages, including, but not limited to, personal injury or property damage arising from any defect in a BREEZY EV vehicle or battery charger.

No agent, employee, or representative of BREEZY EV, or any other person, has the authority to bind BREEZY EV to any other agreement, representation, or warranty concerning the products sold under this warranty. Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages; therefore, the above limitations may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary by jurisdiction.

Products supplied to dealers by BREEZY EV are warranted only in accordance with the BREEZY EV written warranty provided to dealers for distribution to their customers. This warranty may be amended or modified at BREEZY EV's discretion. OTHER THEN THE WARRANTY CONTAINED IN THE BREEZY EV WRITTEN WARRANTY OR AS REQUIRED BY LAW, BREEZY EV DISCLAIMS ANY OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. BREEZY EV DISCLAIMS ANY LIABILITY FOR INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES OR COMMERCIAL LOSSES SUFFERED BY THE DEALER, ITS CUSTOMERS, OR ANY THIRD PARTY.

Except as provided under applicable state law, this warranty expressly excludes any product that the Dealer has altered, changed, or modified in terms of form, features, function, or configuration after the Product was supplied by BREEZY EV in its original form. Dealers shall show customers any applicable BREEZY EV warranty prior to the sale of the Products and shall provide customers with a copy of any applicable BREEZY EV warranty at the time of sale. Dealers shall not provide, or purport to provide, any additional or different warranty to customers on behalf of BREEZY EV other than the applicable written warranty provided by BREEZY EV for the Products.

WARNING

Any modification or change to the vehicle or battery charger that alters the vehicle's weight distribution or stability, increases its speed, or changes the battery charger's output beyond factory specifications may cause personal injury. Any component altered by such modification, and any damage caused by or related to such modification, will not be covered under this Limited Warranty. Such modification will not automatically void warranty coverage for unrelated components. Do not make any modification or alteration that may adversely affect the safety of the vehicle. For certain models, and with prior written confirmation from BREEZY EV, the addition of a folding rear seat is permitted and may remain covered under this Limited Warranty.

VOIDING OF WARRANTY

Coverage under this Limited Warranty does not apply to any defect or damage caused by or resulting from: (1) abuse or use of the vehicle or battery charger in a manner other than its intended use; (2) an accident or collision; (3) adjustment or modification of the speed setting that allows the vehicle to operate beyond factory specifications, including, but not limited to, alterations to the braking system, electrical system, steering system, or other operating systems of the vehicle; or (4) a lack of proper maintenance in accordance with the BREEZY EV maintenance and service publications or owner's manual. This Limited Warranty shall not cover any defect or damage caused by, resulting from, or related to parts or accessories that are not manufactured or authorized by BREEZY EV, that were not installed in accordance with BREEZY EV instructions, or that are covered by another manufacturer's warranty, whether expired or not. These exclusions do not automatically void warranty coverage for unrelated components.
