Hugo American Legion 5383 140th St N, Hugo, MN 55038

Sheridan enlisted in 2017, prior to graduating high school in 2018. He returned home from deployment with the MN Army National Guard in late 2020, after serving a tour in the Gulf War against Terrorism in the Middle East. In May of 2021, a freak leg break resulted in the diagnosis of bone cancer that had already spread. The first treatment and surgical intervention were not successful, as cancer has continued to spread to his lungs, lymphatic system, and other bones. We are believing for miracles, and we hope you will join us to support him in his fight! We would greatly appreciate your coming to show your support for our local hometown hero. We want to honor his service and sacrifice, rally behind him with prayers & positive energy for the continued days ahead, and raise money to support Sheridan's continued care!

Grab your family, friends, neighbors, kids, grandkids, and let's show Sheridan some Minnesota Love! All are welcome! This is a dog and family friendly event!
