PHILOSOPHY & CORE VALUES

 **TRADITION & INNOVATION** - A balance between classic distillation and a **signature botanical blend, delivering a rich and sophisticated flavor.**

 **SUPER DRY, CRISP AND UNCHILLFILTERED** which means you get all those bold, unrestrained flavours in full force. No wonder it's making waves in top bars and restaurants.

 **MIXOLOGISTS & FINE-DINING VENUES**
Bars, restaurants, and hotels seeking **exclusive and organic spirits** for their menus.

 **PURITY** - Organic botanicals, sourced from Algarve's certified organic farm (ECOCERT Portugal, PT-BIO-02)

 **SUSTAINABILITY** - A commitment to eco-friendly production with **minimal enviromental impact (FSC Certified Labels).**

 **QUALITY** - Strict control, full **compliance with European safety standards (EU 2018/848), and independent SGS certification.**

 **DESIGN** - Jacomy & Mayne Studio's design for Paipo Coastal Gin reflects the Algarve coast line, with an aquatic duochrome pallette, and ghostly illustration of beach revelers and shiny gold details.

ORIGIN & INSPIRATION

📍 BORN IN SAGRES, PORTUGAL

Inspired by the **ocean breeze, rugged coastlines, and the aromatic herbs of the Algarve**, Paipo Coastal Gin captures the spirit of Portugal's southern coast. Crafted using the finest juniper berries, and **handpicked botanicals**, Paipo Coastal Gin is the true taste of its land.

🍸 PERFECT FOR DRY MARTINI

You get a touch of **helichrysum** for a floral, sun-kissed warmth, and a whisper of **salt air**. Then comes the depth-earthy carob, a hint of **toasted almonds**, and that **lingering, smooth finish**. No wonder it's making waves in **top bars and restaurants** - this is a gin that demands attention, respect, and, most importantly, another sip.

THE STORY

IT BEGINS ON THE WINDSWEPT SHORES OF SAGRES, WHERE THE OCEAN MEETS THE LAND IN A DRAMATIC EMBRACE.

AS WE WALKED ALONG THESE RUGGED COASTLINES, THE WARM, SLIGHTLY SWEET AROMAS OF THE SURROUNDING PLANTS CAPTIVATED OUR SENSES.

BRAND DNA

Paipo Coastal Gin is a reflection of the **purity and authenticity of Algarve's nature**. Each bottle is a **perfect harmony of craftsmanship, organic ingredients, and a traditional approach** to creating a premium gin.

WHAT MAKES PAIPO COASTAL GIN UNIQUE?

CERTIFIED ORGANIC INGREDIENTS

Paipo Coastal Gin is crafted with certified organic botanicals grown in Algarve, as verified by the PT-BIO-O2 certification.

SAFETY & COMPLIANCE

Independently tested and certified by SGS, Paipo Coastal Gin meets strict EU safety regulations, ensuring low methanol levels, absence of heavy metals, and natural sugar content.

PREMIUM TASTE WITH LOCAL CHARACTER

A refined balance of helichrysum, juniper, lavender, carob, almond, coriander, angelica, and grapefruit makes Paipo Coastal Gin perfect for classic Dry Martini and signature cocktails.

UNCOMPROMISING QUALITY & CRAFTMANSHIP

Produced with flawless pot still distillation techniques, using only natural and organic ingredients - Paipo Coastal Gin never compromises on quality.

BOTTLED BY HAND

Each hand bottled Paipo Coastal Gin has a unique number that indicates the harvest year of the Helichrysum and the specific pot distillation batch.

HELICHRYSUM

THE GENUS NAME HELICHRYSUM ORIGINS FROM THE GREEK HELIOS WHICH MEANS “SUN” AND CHRYSOS MEANING “GOLD”

GROWS IN SANDLY SOILS OVER CLIFFS OF THE ATLANTIC COASTLINE. REACT TO HEAT BY REALEASING A PLEASANT ODOUR SIMILAR TO CURRY.

VALUABLE MEDICINAL PLANT THAT HAS BEEN USED IN THE FOLK MEDICINE FOR CENTURIES.

HARVESTED ONCE A YEAR.

HELICHRYSUM OR IMMORTELLE ESSENTIAL OIL - PREMIUM INGREDIENT USED IN PHARMACEUTICAL, COSMETIC AND PERFUME INDUSTRY. HEALING SKINCARE PRODUCTS. POSSESSES ANTIMICROBIAL, ANTIOXIDANT AND ANTI-INFLAMMATORY PROPERTIES.

COCKTAILS IDEAS TO PLAY AROUND

- 25 ml Lemon juice
- 15 ml Simple sugar

Shake well all ingredients.

Serve in a **Chilled coupe glass**.
Garnish with Lemon twist and
Helichrysum

🍸 AS IT IS

- 35 ml **Paipo Coastal Gin**
- 30 ml Martini Bianco
- 15 ml Per se
- 15 ml Campari

Build all the ingredients in an **old fashioned glass on ice** and stir with
barspoon. Garnish with a Orange
zest and **Helichrysum**

Based on the **SGS Laboratory Report (No. PT24-68337.001)**, the key parameters of Paipo Coastal Gin have been compared with the permissible limits established by **EU Regulation 110/2008** and food safety standars within the European Union.

1. Methanol Content

- Test result: 1.3 mg/100ml
- EU Maximum Limit: No more than 50 mg/100 ml of pure alcohol
- Conclusion: **Fully compliant with EU standars**

2. Heavy Metals

COMPOUND	TEST RESULT	EU MAXIMUM LIMIT
Arsenic	<0.04 mg/kg	Max. 0.1 mg/kg
Cadmium	<0.010 mg/kg	Max. 0.01 mg/kg
Iron	<0.05 mg/kg	No specific EU limit for alcohol
Mercury	<0.010 mg/kg	Max. 0.01 mg/kg
Lead	<0.015 mg/kg	Max. 0.15 mg/kg
Tin	<0.05 mg/kg	Max. 0.1 mg/kg

Conclusion: **All heavy metal levels are well below EU limits, ensuring compliance with safety regulations.**

3. Fermentation Byproducts after distillation

- Test result: 5.1 mg/100ml
- EU Maximum Limit: No strict limit, but minimization is recommended
- Conclusion: **Within safe and acceptable ranges**

4. Sugar content

COMPOUND	TEST RESULT
Fructose	<50 mg/l
Glucose	<50 mg/l
Lactose	<500 mg/l
Maltose	<50 mg/l
Saccharose	<80 mg/l
Sorbitol	1110 mg/l

Conclusion: **The sugar content aligns with EU gin standars, as gin should not contain significant amounts of added sugars (natural residual sugars are permitted without strict limitations)**

Final conclusion: **Paipo Coastal Gin fully complies with all EU regulatory requirements, including methanol content, heavy metal limits, and sugar content. This confirms its safety and legal distribution within the European Union.**

COMPLIANCE STATEMENT ON ORGANIC CERTIFICATION FOR BOTANICALS USED IN PAIPO COASTAL GIN

Based on the analysis of the **organic certification document PT-BIO- 02.620-0001769.2024.002**, issued by **ECOCERT Portugal (PT-BIO-02)**, the following conclusions have been reached regarding the compliance of the botanicals used in **Paipo Coastal Gin** with **EU organic regulations**.

1. Certification Details

- Issued by: **ECOCERT Portugal (PT-BIO-02)**
- Date of Issue: **January 19, 2024**
- Validity: **Until June 30, 2024**
- Production Location: **Silves, Algarve, Portugal**

2. Certified Activities

The certificate covers **organic production and preparation** of the following categories:

- **Aromatic, spice, and medicinal plants** (certified organic)
- Vegetables (hortícolas)
- Fruits, including pomegranates, grapes, physalis, elderberries, and peaches

All listed products are certified as **organic under EU Regulation 2018/848**.

3. Applicability for Paipo Coastal Gin Botanicals

This certificate **confirms the organic origin of botanicals grown in the Algarve region**, which could be used in the production of Paipo Coastal Gin.

Conclusion

- The certificate is valid for confirming the organic origin of botanicals cultivated in the Algarve region.

THE FILOSOPHY
