

# COMMUNITY CHANGE CENTER: WEAREONE, INC.

January 2021 NEWSLETTER

**Our Mission:** "Breaking the cycle of crime by implementing a restorative justice framework in order to deter individuals from crime, mentor incarcerated individuals, and provide formerly-incarcerated individuals with resources necessary to reintegrate successfully back into their communities."

*Wishing everyone a Happy New Year!!*

We are grateful to have been selected by Valparaiso University's Social Action Leadership Team (SALT) as the recipient of the World Relief Campaign funds!

**Please visit [worldreliefcampaign.org](http://worldreliefcampaign.org) to track our progress and help us reach our goal of raising \$25,000 by May 2021!**

The Community Change Center is also humbled by two Walmart Community Grants that we received last month in order to launch our Youth and Young Adult Transitional Employment program. With this funding, we aim to keep young adults from returning to incarceration by providing short-term employment doing community-based service projects while we help them search for sustainable employment.

The Community Change Center is a 501(c)3 organization. All donations are tax-deductible.
