The placement area must be level, stable, and capable of supporting the combined weight of the dumpster and its contents without settling, shifting, or causing damage to the underlying surface or adjacent property. Customer is responsible for any injuries to persons or damages to property caused by an unlevel or unstable placement of the dumpster.

Customer shall maintain access to the dumpster location throughout the rental period and ensure the site remains level and stable at all times.

Rowel Services reserves the right to refuse delivery or relocate dumpsters if the designated site is deemed unsuitable or unsafe. Additional charges may apply for delivery delays or required relocations due to inadequate site conditions. Customer acknowledges that Rowel Services' drivers have sole discretion in determining safe placement locations.
