We would like to extend to our shareholders an opportunity to volunteer and help us get our community better organized. The board has established a few committees that will be yearly commitments. We also have Work Groups that require a short term commitment and will help us break down areas that need attention.

If you are interested in volunteering please reach out to info@edenrockowners.com and make sure to indicate which committee or group you would like to join, providing your name, apartment number along with phone number and email address. Please reach out by August 31 if you are interested in volunteering.

The appointed Chairs from each committee and work group will reach out during the first week of September to get you organized and acclimated with your desired group. Looking forward to working with you!

Shareholder Contact

We listened at the annual meeting and we are doing everything we can to improve our communication with our shareholders. We want to start by figuring out the best way to communicate with you.

We will have a form at the doorman's station for you to fill out. This will allow us to best communicate with you and keep you updated.

Starting August 8 thru 13 we will have the forms for you to fill out so please make sure to stop by and fill out the communication form to stay in touch.

Secretary of the Board

The board is proud to present our newly appointed Secretary Eddie. Although he is not an elected board member the board felt that his vast knowledge was an asset. The board nominated Eddie for the position and he gladly accepted.
