

Proverbs

15:11-18

*“Look Before
You Jump”
Part 1*

There is nothing wrong in asking
God to reveal to you the heart of
a man or a woman.

Be on the lookout for people with
evil intentions and do not jump
into anything with them because
they may stab you in the back

Avoid jumping into relationships with people who don't take you seriously. Most scoffers are corrupt people. Corrupt people will eventually pay a price for their wrong and you don't want to be involved when that happens

Be on the lookout and cling to
the people or things which
make your heart merry and
built up your countenance.
Be on the lookout and avoid
people or things which will
bring you sorrow just to break
your spirit

People who seek knowledge and have understanding of things are the type of people you would want to jump into something with.

Why because they can help you understand a few things you are unaware of.

On the other hand avoid fools.

Be on the lookout & avoid jumping into situations which will bring you affliction.

Affliction is pain and suffering whether it be emotionally, mentally or physically

Avoid stressing yourself
with stuff that perhaps
you can't handle

Stop trying to jump into
circles where there isn't
any love, of God and for
you
