

# 2 Corinthians

## 6:14-16

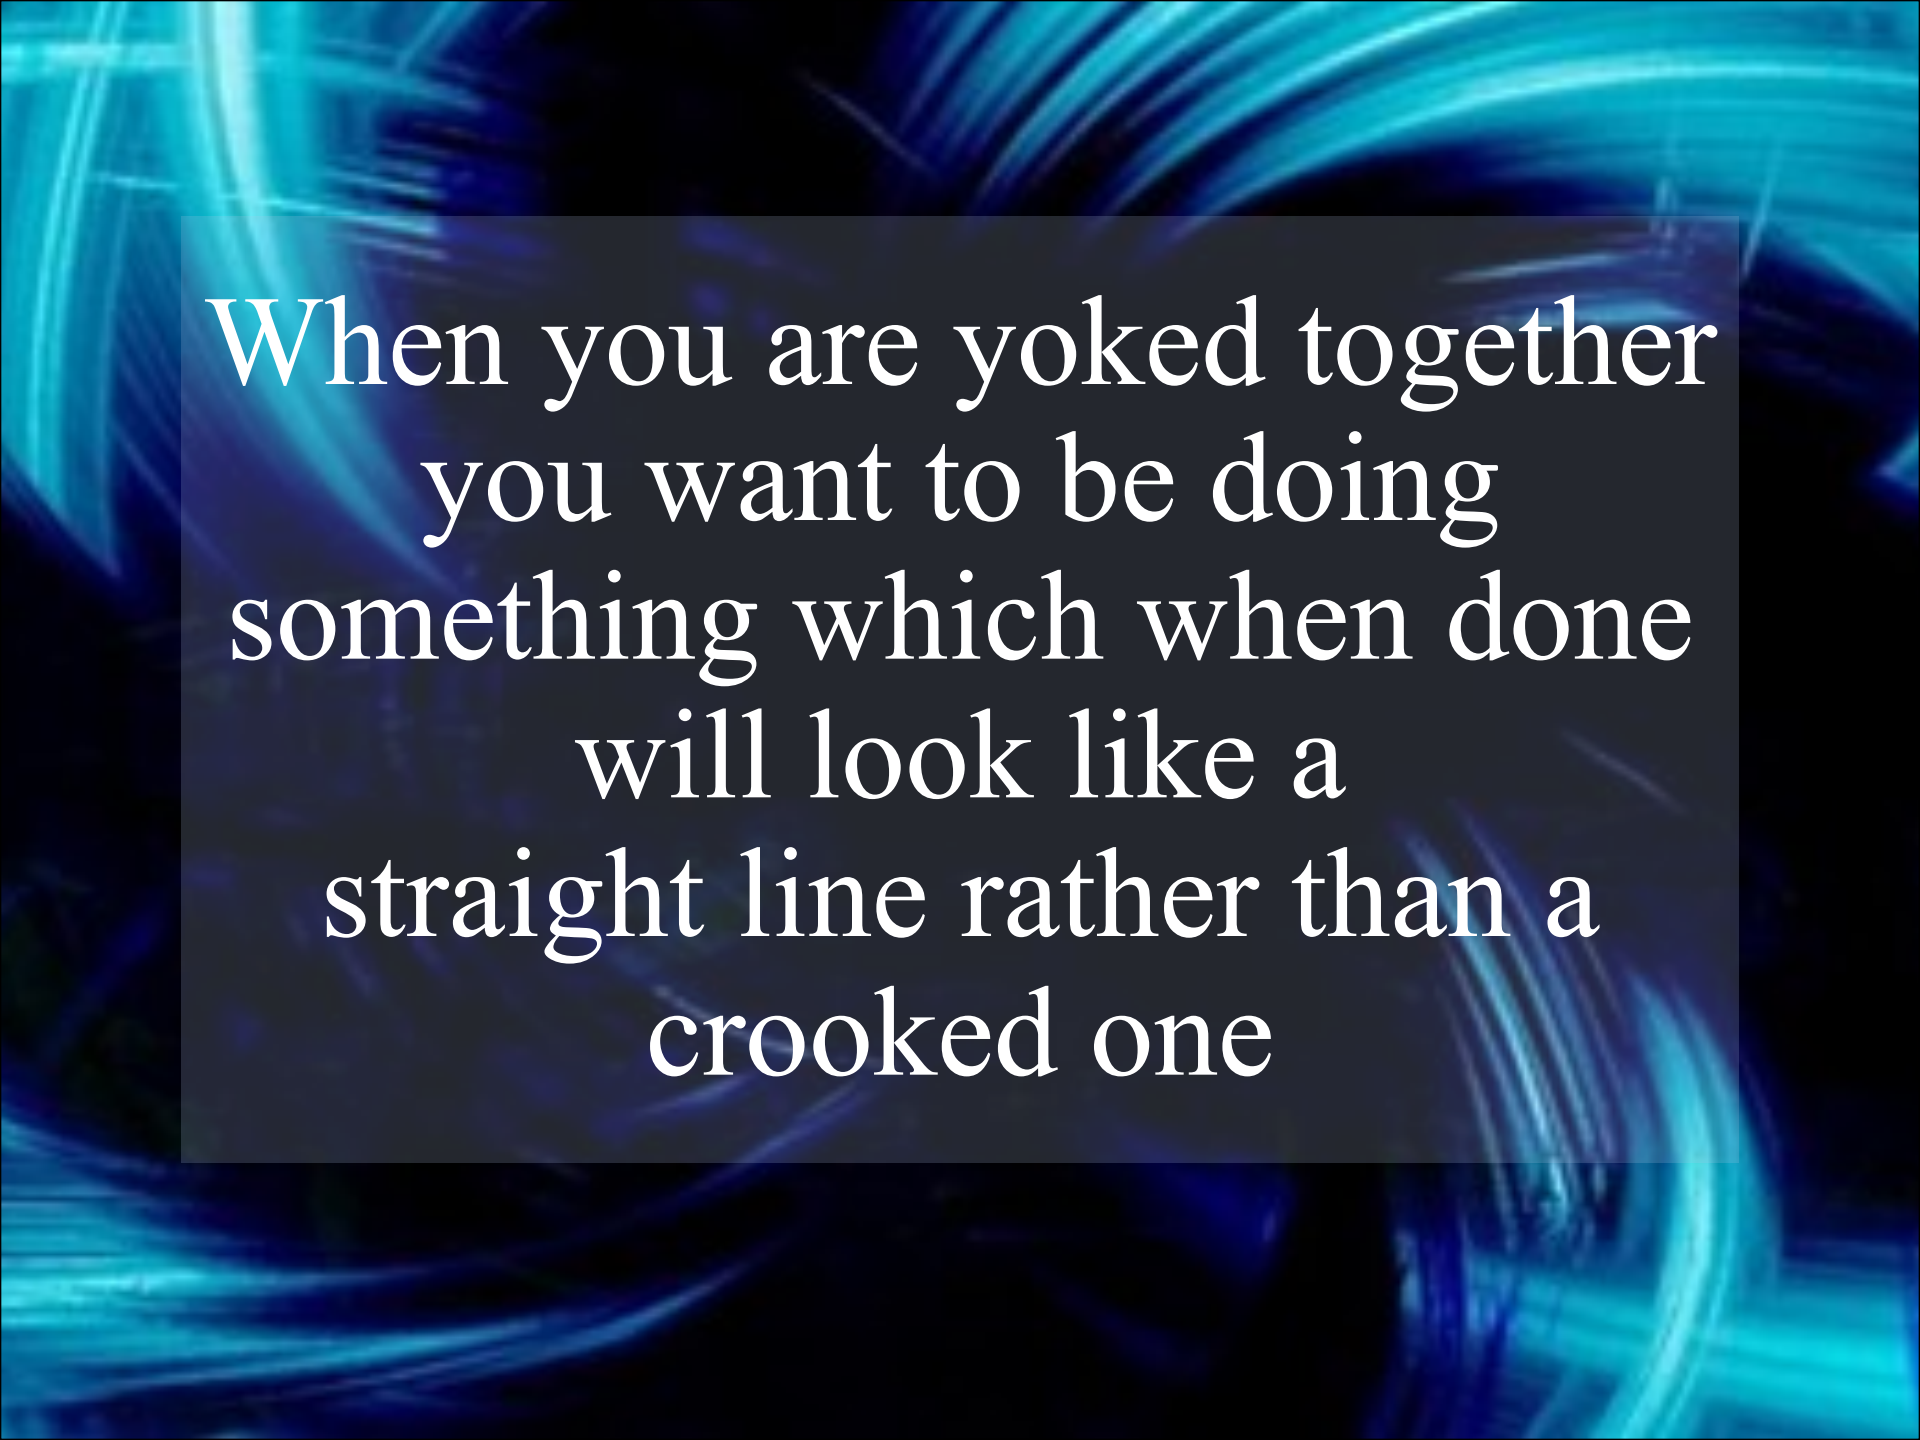

*“Look Before  
You Jump”  
Part 2*

The background of the image is an abstract, dynamic composition of light streaks and curves in various shades of blue and cyan. The lines are blurred and have a sense of motion, creating a vibrant, energetic atmosphere. The colors range from deep, dark blues to bright, almost white highlights where the light streaks are most intense.

Being unequally  
yoked with  
unbelievers

It should be applied to everything that requires building connections, relationships, friendships, businesses, associations, and doing the works of Christ.

Where you are walking side by side, locked together working towards a good work which pleases the Father.

When you are yoked together  
you want to be doing  
something which when done  
will look like a  
straight line rather than a  
crooked one

If it requires you to  
lower your values  
**DON'T JUMP!**

If it requires you to  
reduce your  
rank and file  
**DON'T JUMP!**

If it agrees with your  
godly vision & purpose  
**JUMP IN!**
