It's important to tell people
about what God has done

A sunset scene with a bright orange and yellow sky filled with clouds. The sun is low on the horizon, casting a glow over the scene. In the foreground, there is a dark blue body of water with a few birds flying. In the background, there are dark silhouettes of mountains.

Isn't it awesome to see God
move your enemies out
and then plant you in
to fill the void

Some things you just don't
have to fight for, just fight the
good fight of faith trusting that
God will fight the battles that
come at you in the flesh

One main reason why many
Christians have what they
have going on for them
is because of the favor they
have with God

God's favor is meant to:

Bless you

Protect you, and

Promote you

based upon the premise that you
are “Special”

God's favor is meant to bless, protect, & promote you

1) God will command victories for you

2) God will allow you to push down
your enemies

3) And just in case your enemies try to rise up against you, by way of God's favor you will eventually end up trampling over them

God's favor is meant to bless, protect, & promote you

4) Eventually it brings shame upon all those who have been hating you in lieu of celebrating you or with you

God's favor is meant to bless, protect, & promote you

5) You should not be able to contain yourself from boasting about God and praising His name forever!
