

Psalm 5:11-12

*“The Blessing of  
Divine Favor”*

The Righteous

First of all being  
“the Righteous” is a  
blessing all by it self

It is a crown given by God  
that is too wonderful and  
powerful to be understood  
by people who are not filled  
with the Holy Ghost

it declares that you have  
been forgiven of your sins  
and it moves you to a  
place of peace with God

Overtime being “the Righteous” brings you to a land of prosperity with all spiritual blessings

Divine Favor

Any person that refuses  
to please God will be  
separated from His favor

The favor of God will  
come upon every one  
that lives in righteousness  
and it will bring favorable  
blessings upon them

Signs of living in righteousness  
from verse 11;  
trust in God and,  
love the name of God

What is  
Divine Favor?
