The Editors Corner:

Dave Puthoff

Did you attend the Division 7 Family Picnic/Social on June 12?

If so, you should have received an Opinion Survey through Survey Monkey. We hope that you will take a minute and complete the short survey, as the survey will help in the planning of future events.

If you have a photo, or a useful tip, or maybe just a useful website that you would like to share, the Oil Can is an opportunity to share it with your fellow model railroaders. Email it to editor@cincy-div7.org.

The Oil Can is a publication of Cincinnati Division 7, Mid Central Region, NMRA, Inc. Opinions expressed herein are the authors and do not necessarily reflect the opinion of Division 7, the MCR, the NMRA, it's officers, or it's members.

Space permitting, *The Oil Can* welcomes news items, articles and letters on Model Railroading and related topics. Deadline for submissions is generally the fifteenth of the month preceding the next meeting.

The Indy Junction tri-regional convention was a concept that turned out well. There were some glitches but the feedback received by the MCR was largely positive. The convention committee did an outstanding job under the difficult situations of being shorthanded and blending the diverse modus operandi of three Regions and the RPM. The clinics were diverse and mostly well presented. The committee had a great idea in having the hotel present a limited menu food stand for breakfast and lunch. Unfortunately, I considered the quality and presentation to have been 2nd rate for a Marriott.

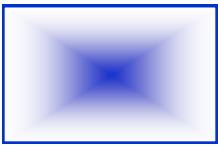

I had the distinct pleasure of sharing accommodations with our illustrious division Secretary, Mr. Knapp. It was also great to be among the 20+ Division 7 members in attendance. It was no surprise to me that the Division 7's clinicians there, Gerry Albers, Larry Goodridge, Sam Swanson MMR[®], and John Burchnall, all received great reviews on their presentations. Also representing our division was the "Havoc" modular layout. They put in many long hours in set-up/tear-down and conducting OP sessions. Larry Goodridge and Nancy Bell had many compliments on their 4x8 "Battle of the Bulge" display layout. Indy was the third Regional that I volunteered to be a contest judge. I encouraged Tony Valerius to volunteer as well. Doing so helps you see what makes for a quality model, thus improving your own efforts. Judges are able to enter models in the contest but must recuse oneself from judging ANY model in their entry's category. See elsewhere in this Oil Can how your fellow members fared.

NMRA President, Gordy Robinson, traveled from Scotland to attend this event. Enduring jet lag and no sleep, he made himself available to all who wished to converse with him. I had a couple of one-on-one conversations with him. I was pleasantly surprised at how approachable and engaging Gordy was. I came away feeling that he is quite committed to the health and welfare of the NMRA.

Division 7's first picnic was very well received. The catered buffet was scrumptious. There were 23 lucky door prize winners and several more at the raffle table. We enjoyed a spirited trivia contest won by the team of Dave and Barb Puthoff, Sam Swanson and Nancy Windes, and Bob Shaw and Pat Stanley. Great job! Many thanks to the following for their assistance in presenting this affair: Roy Hord, John Burchnall, Frank Koch, Paul Musselman, Merlyn Jarman, Anne Barrie, and Tony and Sheila Valerius. We hope to send out a survey to all who attended. This event also qualified us for the NMRA's Member Retention Bonus. Thank you National!

I leave the July 10th meeting in the capable hands of Tony. I'll be out of town hiding as many Titleist golf balls in the weeds and woods as humanly possible, while enjoying the company of 19 friends and relatives.

Chuck

SECOND SECTION

Tony Valerius
Asst. Super

Indy Junction is over and it was a first in many ways for me. It was my first regional convention (tri-region, in this case) and I thoroughly enjoyed the clinics and meeting NMRA members from all over. Division 7's HAVOC modular layout was set up there to the enjoyment of many attendees including myself. I enjoyed a short operating session while catching up with the members of the group. Thanks to HAVOC for hauling their modules up to Indy and operating for many hours each day. I also assisted in judging the modeling contest and was very pleased with the experience. It is something I highly recommend doing as you have a chance to learn much from examining other modeler's work. Finally, I was able to meet the NMRA President, Gordy Robinson, who attended the convention. In a meeting with other division and region leaders, Gordy discussed the organization's current initiatives and the desire to improve the services provided to our members. His commitment to the organization and the membership was very obvious to all who met and talked with him.

Our first ever Family Picnic/Social was held on June 12th at the Lakeside Lodge in Sharon Woods Park. Based on the feedback I heard, it was a rousing success. The weather cooperated decently and the food, door prizes, raffle and trivia contest were all outstanding. The opportunity to see and talk with other members for the afternoon left many eager for a repeat next year. Many thanks to all who helped make this a success including: Chuck & Anne Barrie, my wife Sheila, Roy Hord (registrar for the event), Paul Musselman (set-up & tear down), Frank Koch (set-up & tear down), Merlyn Jarman (check-in), and John Burchnall (marketing, raffle, door prize and technical assistance).

Public Service Announcement: Terry Judd is trying to get his layout ready for opening up following the November meeting. If you are able and interested in helping him, please contact me for more information. My email is: tony.valerius@gmail.com

Coming Up:

July 10th – We will meet at the Mt. Carmel American Legion Hall. Our clinician will be Sam Swanson MMR® – “Prototype Photos and the Models That Followed”. Layout tours will be at the homes of David Keith and Rick Crumrine. The contest topic for both Model and Photo is Freight Car with Open Load.

August 21st – We will meet at Horsepower Farm (Middletown) from **noon to 4:30 pm** for a Mini-Meet featuring three clinics by special visiting guest clinician Rich Mahaney. The contest topic for both Model and Photo is Intermodal or Auto Carriers. We'll serve free hot dogs after the first clinic. In lieu of home layout visits, we'll have an included tour of the beautiful classic automobiles on display there.

See you at the July meeting!

Tony

DIVISION 7 - COMMITTEE REPORTS

July 2022

Superintendent (Chuck Endreola): No report this month

Recruitment and Retention (John Shields): The “latest” information from National (as of June 2) shows our current count is 223.

We would like to welcome the following new members to Division 7:

Bill Cilley - of Wyoming
Tenor Jennings - of Covington, Kentucky
David Lamb - of Batavia

Also, A thank you to the 13 people who chose to renew their memberships last month.

And a reminder:

Of the 6 that did not renew in the last three months, at least one is a long time member who attends meetings semi-regularly. Have you received a reminder from National and set it aside “to get around to it later”? If “later” turns out to be 3 months, you will be dropped by National.

We have had memberships unintentionally lapse regularly. We would like to avoid that. For example, Assistant Superintendent Tony Valerius’ renewal form came on June 10th for his renewal date of Sept. 30th. This is the typical window of three months prior to his renewal date. If you are not sure when yours is, you can check it on the National website. Also, make sure that your contact information is correct with the up-to-date street/email addresses and phone numbers. It is important that you renew on time and that the Executive Committee and Membership Chair are able to reach and communicate with every member. If any of your information is dated or wrong, contact National to make the corrections. For information security, they resist edits coming from anyone but the member themselves. (But do please copy Membership Chair, John Shields – and ask for help if you need it)

DIVISION 7 - ANNOUNCEMENTS

Great Northern Railway Operating Session on July 23 at 7 PM (Saturday)

NOTE: Contact Sam Parfitt prior to attending, in order to confirm the Operating Session. --- Ed.

Due to INDY JUNCTION 2022 on the 3rd W/E, the next ops is the 4th w/e Saturday.
SHOW AND TELL: bring anything you may have bought at the INDY show.

Pizza at 6:30-7:00.
Please email if attending.

NEW POLICY:

Since there's not a lot to do outside our homes related to railroading, those who wish to have a 'one-on-one' or with own friends to operate the layout during the month, please email or call.
Being retired, I spend the bulk of my time in the basement so visitors are always welcomed. Thanks.

NEW PROJECTS:

Installed decoders in several more engines. A selection of 50 engines can now be done.

Mission Statement: Main theme of my railroad (besides modeling the Great Northern Railway): when building the railroad, I wanted to model mainline running with big time steam and 'scale like' trains of 25-45 cars on single track mainline with passing sidings.

USUAL STATS:

Time: 1938. All steam and electrics. The GN railway is a point to point railroad, 400' mainline with two 400-500 car yards at Seattle, Wash and St Paul, Minn, each having 20+ track turntables and one staging yard holding 300 cars. Minimum radius, 48" with #10 turnouts. Track all hand laid on individual wooden ties. 100% scenery.

Four track 12' ore dock.

For pictures see:

DIVISION 7 - ANNOUNCEMENTS

Dianne Rowland 1954—2022

It is with great sadness we report long-time Division 7 member and leader Dianne Rowland passed away on Wednesday, June 22, 2022. Dianne and her late husband Don chaired our Spring Flea Market a number of years ago. During recent years Dianne had once again stepped in as Co-Chair of that annual event. A celebration of Dianne's life will be held on Saturday, July 9, at the Sharonville United Methodist Church, 3751 Creek Road, Cincinnati, Ohio 45241. Visitation will be from 10 to 11 AM, followed by the service at 11 AM and lunch at noon.

With a *popular vote contest** open to all NMRA members

11:30 am – Gathering, Contest Entry, Vintage Car Collection Viewing

Noon – Welcome and Announcements

12:30 pm - “Quick Industries” For Your Model Railroad - Industry ideas for model railroads that can be assembled in several evenings. These industries can quickly increase railroad traffic and new customers. Includes examples of both real facilities and models, and associated details such as track work, loading docks, industry placement and building concepts.

1:30 pm - 2:00 pm Hot Dog Lunch Break, Contest Voting, Vintage Car Collection Viewing

2:00 pm - Follow the tracks of the Great Northern Railway from Skykomish, WA to Shelby, MT - Take a “ride” through Rich’s camera lens and images as he follows the Great Northern Railway tracks from Skykomish, WA through WA, ID and MT to Shelby, MT in July of 2011. See sights, views, cities and areas that are often modeled on many GN model railroad layouts.

3:00 pm - 3:30 pm Break and Pick-up Contest Entries

3:30 pm - 1950’s Refrigerator Car Layout Operations on Model Railroad Layouts – Enjoy insightful photos of refrigerator cars, icing platforms, cold storage and related buildings and operations, then see some of the best ideas and modeling that capture the feel and operations involved with refrigerator car operations in the 1950’s.

4:30 pm - Adjourn, Pick-up contest entries, Vintage Car Collection Viewing (until 5:30)

Rich Mahaney’s career spans over 40 years in the loss prevention field. He’s a Michigan certified Professional Emergency Manager and instructor, specializing in fire, hazmat, floods and medical emergencies. Rich is a professional educator, with bachelor’s and master’s degrees in Technical Education. He’s authored numerous training manuals and articles, and conducted college courses and educational presentations around the world. Rich models the Great Northern in the 1950’s. He has created over 25 model railroad clinics and presents them around the country at Regional and National NMRA conventions.

DIVISION 7 - CLASSIFIED ADS

As a benefit to Division 7 members, the Oil Can will offer to list free Classified Ads to allow members to sell railroad-related items. A few other Divisions offer such a program. The Board will periodically re-evaluate the program. If you have items to sell, please review the Rules, and send an email to editor@cincy-div7.org

CLASSIFIED AD RULES:

Item(s) must be railroad related.

Seller must be a Member of Division 7 MCR NMRA.

Listing description shall be 30 words or less.

Item(s) can be displayed for a maximum of three (3) months. Oil Can Editor will assign a Listing Number that will include the last month of listing. (E.g., "xx-July 2015" would indicate Listing xx will be listed through the July 2015 Oil Can).

Seller must list name, and either Phone Number and/or Email, so the interested Buyer can contact Seller. It will not be listed without them. **(NOTE: Seller agrees to allow contact information to be published in the Oilcan, which is published on the Internet).**

A single photo may be submitted for each listing.

Limit of three (3) listings from same Seller at any one time.

Seller shall email Oil Can Editor if item is sold so it can be removed from page.

All transactions are between the Buyer and the Seller.

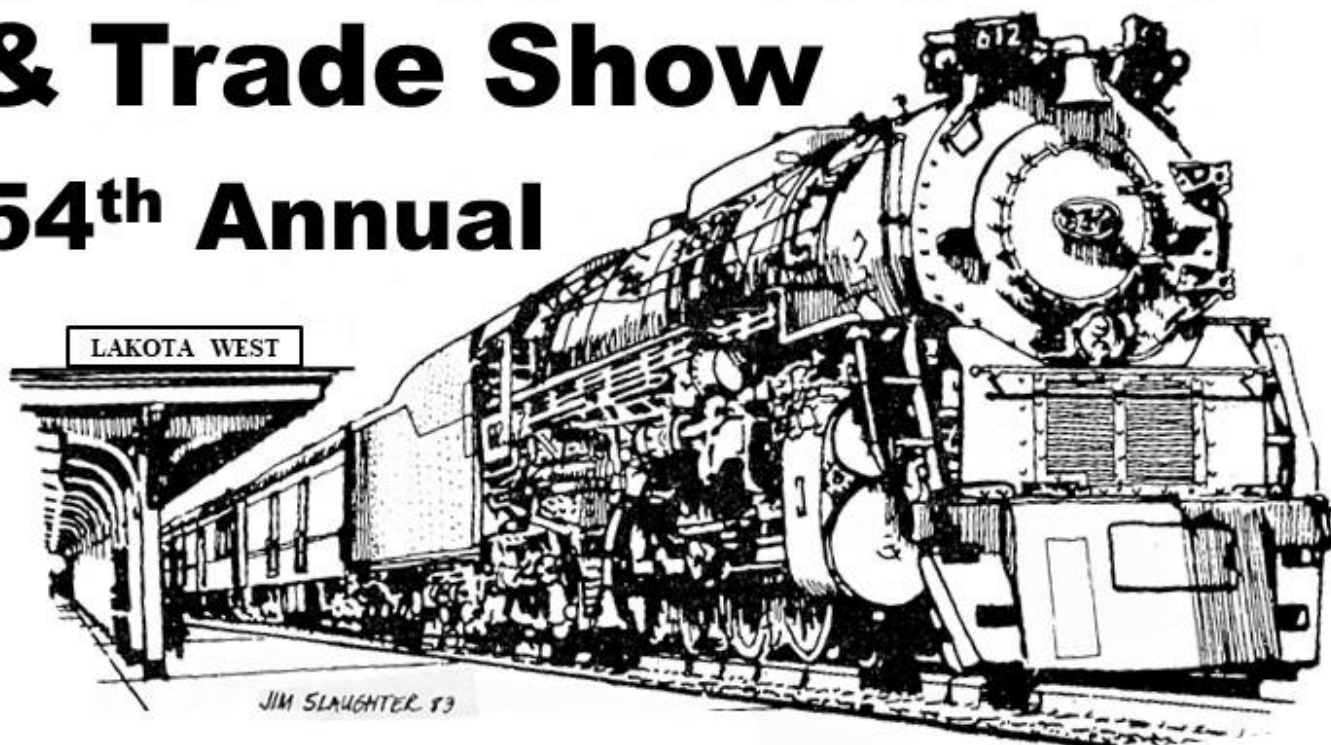

Oilcan Editor reserves the right to edit listing if needed, and will notify Seller of edit prior to publication.
