

## **Dianne Maria Morris Rowland**

**June 16, 1954 - June 22, 2022**

**Dianne regretfully left this life on June 22, 2022. Born on June 16, 1954, she was quite the friend to people and animals alike. She and her late husband, Don, adopted and cared for 5 dogs and 2 cats. Her careers took her to General Electric and Johnson and Johnson, but she always had time for fun. She declared God gave her red hair because He knew she needed a warning label. Her vegetarian diet, with lots of kale, was something of which she was proud. Preceded in death by her parents, Al and Lucille Morris and her late husband, Don Hertial Rowland, she leaves behind her fiancé, Phillip Koenig, step children Russel Rowland (Kathleen), Dawn Rowland, step grandchildren Collin, Seth, and Emma, her adopted sisters, Candy, Holly and Wendy Hart, a myriad of friends, and her 6 precious fur babies, Emmy, Annie, Maddy, Finn, Penny and Moe. Animal causes were her passion and she supported several as well as volunteering. She enjoyed being part of the hospitality team at her church, Sharonville United Methodist even though she bragged that she never learned to cook! Dianne also loved all her many model railroad club friends. She knew how to make you laugh - and she laughed right along with you. Dianne will be sorely missed by all. Services were held on July 9, 2022 at Sharonville United Methodist Church.**
