It is with great sadness that we inform you of the passing of one of our own, Peter Weiglin, heard for decades on WMKV and now WLHS as well. Peter passed on March 31, and details are still being formulated. Peter was, and remains, a major part of our stations, including his many announcements on air with his tremendous voice, as well as his programs ***That Was America*** and his current show, ***Stage and Soundtrack***.

Peter was an avid rail buff, long-time editor of ***Trolley Talk***, and active in so many organizations, Rotary, community theater, and also broadcast ***Coast to Coast*** on stations from New York City to San Francisco, including stations in San Mateo and Pittsburgh and of course here in Cincinnati on WMKV and WLHS as well.

We're happy to say that Peter's voice will go on, on the Maple Knoll Public Radio network. Rest in Peace, Pete Weiglin.
