

GIVING SEASON

DECEMBER 1-31, 2021

Project Liftoff

**Campfires Make
Life Better!!**

It takes more than a persistent pandemic to squash the determination of kids to have fun. So who are we to stand in their way? The partnership of Project Liftoff and the Texas Foster Care Association remains strong. Camp Lutherhill has demonstrated mastery of COVID protocols and on a recent beautiful autumn weekend in mid-November, a group of 55 foster kids and family members sang by a campfire, glittered and glued, hiked, slept in cabins, met in the chapel, marveled at the stars, and conquered the ropes course and the high swing.

A year-end weekend camp session is planned in December with SIX sessions booked in 2022 thanks to your generosity. One of these sessions will be filled by families of the All Ears! Listening and Language Center for children born with severe hearing impairment. We still need your help to keep the momentum going though, since there seems to be no end to the number of children entering the foster care system in our area.

As you consider year-end, tax-savvy giving, please keep Project Liftoff in mind as we forge on, s'mores in hand!

Let your light shine this holiday season!
