NOW, THEREFORE, the Property shall be subject to the covenants, easements, rights of way, restrictions, conditions and limitations set forth below, which shall run with the land, and which shall be binding on the Owners of Lots within the Property and their heirs, successors, and assigns.

1. No Lot shall be used except for residential purposes. No Lot shall be used for hotel, Airbnb, or similar short-term rental use and no Lot shall be leased for an initial rental period of less than six months. Rental of individual rooms is not permitted and no portion of a Lot, other than the entire Lot, shall be rented. No building shall be erected, altered, placed or permitted to remain on any Lot except for use as a private, one- family residence; provided, however, that the usual outbuildings, may be permitted if approved by the Board of Directors as provided herein.
2. No more than four (4) Lots within the Property may be leased at the same time. Occupancy of a Lot by anyone if it is not occupied by the record Owner or an immediate family member (spouse, child, parent, sibling) of the record Owner shall be considered a rental or lease of the Lot. As to Lots that are owned by a trust the

unit shall be considered occupied by the Owner if a named trustee or beneficiary occupies the Lot. As to Lots that are owned by a business entity, the Lot shall be considered occupied by the Owner if a managing member or officer of the entity occupies the Lot. No Owner may lease a Lot if the maximum number of Lots are already being leased; provided, however, the Board may allow temporary exceptions to this requirement in cases of extreme hardship (e.g. temporary relocation of the Owner due to military service, health issues or disability, etc.). Any Owner desiring to lease their Lot, must apply in writing to the Board of Directors of the Association before leasing the Lot using the "Rental Request" form developed by the Board. The Board is responsible for maintaining a list of the Lots being leased, and for maintaining a waiting list of Owners who submit a request to lease their Lot when the maximum number of Lots are already being leased. The Board will reply, within 10 days, in writing, to any Owner submitting a Rental Request to notify them if their Lot may be rented or if they will be placed on the waiting list and their position on the waiting list. The waiting list will be maintained in chronological order on a first-come, first-served basis and when a Lot that was previously being leased is sold, occupied by its Owner, or its Owner notifies the Board that it will no longer be leased, then the Owner whose name has been on the waiting list the longest shall be given notice of the opportunity to lease their Lot. Such Owner shall respond to the Board to accept the opportunity to lease their Lot within fifteen (15) days and must begin leasing the Lot within one hundred twenty (120) days of such notification. If an Owner on the waiting list does not accept an opportunity to lease their Lot when it is their turn, or does not begin leasing their Lot within the required time frame, they shall be moved to the last position on the waiting list. Any Owner who rents their Lot must provide a copy of the Declaration to the tenant and the tenant must comply with said document, and must provide contact information for both Owner and the tenant to the Association. Any Owner who is renting their Lot as of the date the amendment to the Declaration adopting this paragraph 2 shall be permitted to continue leasing their Lot even if in conflict with the maximum number of rentals established herein until such Owner occupies or sells the Lot, at which time the Lot shall be subject to the limits on the maximum number of leased Lots established in this paragraph 2. Provided, however, such Owner must give notice and provide a copy of the lease to the Board within thirty (30) days of the date the Board notifies Owners of the adoption of such amendment.

Trim must be painted on all structures; roofs, gutters and downspouts must be in good repair; siding must be maintained in good repair and must be routinely power washed; driveways, sheds and other outbuildings, fencing, and all other structures or improvements on a Lot shall be kept in good repair; and lawns and landscaped areas must be maintained in a neat manner.

There shall be strict compliance with these requirements.

5. The members of the Architectural Review Committee (ARC) shall be appointed by the Board of Directors of the Association. The ARC shall review and make a recommendation to the Board of Directors on all such plans and specifications. The Board will make a decision within thirty (30) days of the date a complete application is received. If the Board fails to make a decision within that time frame the Owner shall provide written notice to the Board that it has failed to provide a response within the thirty (30) day time frame. If a decision is not communicated to the Owner within ten (10) days of the date such notice is delivered to the Board then the request shall be deemed to be approved. The Association shall have the full right and privilege to enforce the covenants, restrictions and conditions contained herein by appropriate proceedings at law for damages and/or in equity for appropriate injunctive relief and restraining orders to prevent violations, or to require violations to be corrected, together with damages sustained, including without limitation attorneys' fees and costs. These restrictions shall run with the land and be binding upon any and all succeeding Lot Owners, their personal representatives, estates, heirs, devisees, assigns or successors in Interest or any other parties having or taking an interest in or to, the Property, or any part thereof, so long as the Property or any part of it is zoned for single family

residential use, or its equivalent permitting as principal uses the uses set forth herein, for a period of twenty-five (25) years from the date of recordation and shall automatically be extended for successive periods of ten (10) years.

Every Owner of a Lot that is subject to this Declaration shall be a Member of the Association. One vote may be cast per Lot in the election of Directors, and in all other matters on which the Members are entitled to act. The voting rights for a Lot shall be suspended during any period in which the Lot Owner is in default in the payment of assessments levied by the Association.

Funds to operate the Association will be provided by assessment of its Members. The Association shall be responsible for maintaining all easements conveyed to the Association and common areas, including, but not limited to, all road medians, buffer strips and signs identifying Milhaven. The amount of such assessment shall be fixed from time to time by approval of a majority of the Members of the Association voting at a meeting duly called for that purpose. At such meeting the Board of Directors shall submit to the Members its estimate of the total cost to be incurred by the Association for the ensuing year, or such other period as shall be acceptable to the Members, and, upon approval by the Members, each Member shall thereupon become liable for his, her or its pro rata share of such total based upon the ratio of the number of Lots owned by each Member to the total number of Lots owned by all Members, which shall be payable as determined by the Board of Directors. In the event that the Members do not approve an assessment amount at such meeting, then assessments shall continue at the amount then in effect until such time as a different assessment amount is approved. Written notice of the assessment shall be sent to every Owner subject thereto. For this purpose, common areas and easements, so designated on recorded plats, and street rights-of-way, shall not be deemed owned by any Member. For purposes of such assessment, the Association shall not be deemed a Member with respect to any Lots owned by it.

In addition to any annual assessments, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any reconstruction, unexpected repair or replacement of a capital improvement as approved by the Board of Directors of the Association, including the necessary fixtures and personal property related thereto, provided that any such assessments shall have the consent of the Owners of two-thirds (2/3rds) of the Lots who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Owners at least thirty (30) days in advance and shall set forth the purpose of the meeting.

Any assessments by the Association, which are not paid by an Owner within sixty (60) days of the due date, shall incur a penalty at a rate determined by the Board of Directors or as

provided in the bylaws, from such date until paid, and shall constitute a lien upon the Lot owned by such member. Such lien shall have priority over all other liens, including without limitation mortgages, deeds of trust or any other lien hereafter placed upon any Lot, except a first mortgage or deed of trust securing a loan by a bona fide institutional lender, to which such lien shall be subordinate. No Owner may waive or escape liability for the assessments provided for herein by non-use of any common area or easement or by abandonment. No sale or other transfer shall relieve any Owner from liability for any assessments due nor any Lot from the lien of any assessment. The amount of such lien may be enforced by suit or otherwise, at the election of the Association, and the Owner will reimburse the Association for all attorneys' fees and expenses incurred in so doing, the amount of which shall also constitute a lien on the Lot as herein provided. Notwithstanding the above, a party who acquires title to a Lot by virtue of the foreclosure of a lien secured by a first mortgage or deed of trust to which this lien is subordinate, or by a deed or assignment in lieu of foreclosure of such a mortgage or deed of trust, shall take title free of any liability of lien chargeable to such Lot on account of any period of time prior to such acquisition of title. Said acquiring party shall, however, be bound by the provisions of this Declaration, as amended, including without limitation assessments effective after said acquisition of title.

This Declaration may be amended in accordance with §55.1-1829 (formerly 55-515.1) of the Virginia Property Owners' Association Act, §§55.1-1800 (formerly 55-508), et seq.

IN WITNESS WHEREOF, the President of the Association has signed this Restated and Amended Declaration pursuant to the approval of the Owners of Lots subject to the Declaration.
