

Oneonta Sportsmen's Club

(Membership Information)

MISSION STATEMENT:

The purpose of this organization is to create and promote favorable public sentiment for the restoration and conservation of wild life, animals, birds, fish, forests, and natural resources in general; and to establish, maintain and control a private park or parks for the propagation and protection of fish, birds, and animals, and to provide places and facilities for outings and other lawful recreations therein; and to promote comradeship and friendly co-operation among sportsmen and all men who find pleasure and inspiration beyond the town and highway, under the open sky.

The Oneonta Sportsmen's Club Inc. (OSC) was established in 1926 and incorporated in 1939 to provide the hunter, shooter, and outdoor enthusiast with a place to enjoy nature, learn or improve their shooting skills, or just spend time with others who enjoy common activities. OSC is an NRA affiliate, and an active member of the Otsego County Sportsmen's Federation.

Your membership at OSC entitles you to hunt, hike, or just relax on our beautiful 283-acre facility. Our forest is filled with a myriad of game and non-game animals alike. Our 3-acre pond is filled with fish, and also provides a haven for waterfowl. Following all state and federal regulations, members are allowed to fish and hunt small game on OSC property. During state established seasons, members maintaining a permanent fulltime residence in Delaware or Otsego Counties and is a member the year prior to hunting are welcome to hunt big game.

For the shotgun shooter, our club has 2 regulation Trap fields, 3 regulation Skeet fields, and 1 Five Stand. All fields are equipped with automatic electric traps. For more of a challenge, OSC maintains a 24-station Sporting Clays course (generally shooting 50 birds per round). With our field layouts, all shotgun games may be shot at the same time without having to shut down one field to use another. Available to rifle and pistol shooters are (2) 10 station fixed bench covered ranges; our "Rifle Range" is up to 100-yards, with 3 of the rifle range stations extending to 200 yards, we also have a "Pistol Range" up to 50 yards. Although it's called the "Pistol Range" all types of firearms may be used, you're only limitation is 50 yards maximum. For shooters wishing to shoot in inclement weather, the second floor of our facility houses a 10 station, 50 foot, heated pistol and small bore rifle range, unfortunately only "LEAD" ammunition may be used indoors. Members of OSC have established 3 competitive shooting teams. During the fall and winter months OSC has a competitive Junior Pistol Team (non-travel) and Adult traveling pistol team where participating clubs take turns hosting the weekly competition. For the competitive small bore rifle shooter, OSC has a .22 caliber Sporterifle team for Juniors and Adults shooting weekly in non-traveling "Postal" matches.

Non-refundable memberships at OSC run from June 1, through May 31. Annual individual memberships may be purchased for \$50.00. Families with children or grandchildren under 21, and living at home qualify for "family" memberships costing \$75.00. Club meetings are held at 7:00 pm the second Wednesday of each month.

The fees for shooting at OSC are as follows.
